The One Who Loves Us 2014-08-26

this far ranging book presents god the ultimate mystery of non created reality as christ the one who loves us spirituality beyond language and in general the inner mystical meaning of the cross of christ differing christian windows found in the stages of evolving consciousness identified by integral theory and centering prayer s close relationship to all of this are core themes in this work an important insight of integral theory reveals that when people are

unaware of the stages of evolving consciousness they tend to believe that the perspectives of their own stage s are the only true or realistic views which is actually untrue and leads to needless confusion conflict and misunderstandings among individuals in different stages of evolving consciousness additionally prayer the allegorical sense of scripture lectio divina grades of evolving love duality non duality and apophatic theology are also major topics discussed the gift of non conceptual contemplation into which centering prayer leads us is shown to be a key to christian unity and harmony among all religious and spiritual traditions seeking to serve the one who loves us non conceptual centering prayer as a movement into simplicity and silence is readily available to people seeking a deeper spirituality in all denominations and in all stages of evolving consciousness

The Heart of Centering Prayer 2016-12-27

centering prayer is the path to a wonderful and radical new way of seeing the world it is not as is sometimes thought simply an act of devotional piety nor is it a christianized form of other meditation methods cynthia bourgeault here cuts through the misconceptions to show that centering prayer is in fact a pioneering development within the christian contemplative tradition she provides a practical complete course in the practice and then goes deeper to analyze what actually happens in centering prayer the mind effectively switches to a new operating system that makes possible the perception of nonduality with this understanding in place she then takes us on a journey through one of the sources of the practice the christian contemplative classic the cloud of unknowing revealing it to be among the earliest christian explorations of the phenomenology of consciousness cynthia bourgeault s illumination of the centering prayer path provides compelling evidence of how important the practice has become in the half century since it first arose among american trappist monks and of its maturation and refinement over the ensuing years of sincere study and practice it will resonate with beginners on the centering prayer path as well as with seasoned practitioners
