members friends and legal professionals everyone has an opinion about how to come out on top in you don t have to crush your ex lori bonnevier a clinical social worker and seasoned child custody evaluator invites you to walk beside vanessa and luke as they face challenges similar to yours you will have the unique opportunity to make choices about divorce your children and how to participate in a custody evaluation to achieve the best outcome through this insightful and witty choose your own outcome style story lori shares her more than twenty years of trade secrets to help you navigate the complex and often thorny experience of participating in family law litigation by the end of the book you will know how to present your best self to a child custody evaluator protect your child s emotional health and well being keep your sanity and thrive on the other side discern which attorneys will hurt or help your efforts acquire resources to manage specific challenges save your family time and money this book is a must read for parents grandparents and interested third parties involved in or headed toward a

custody lawsuit over the children they love the choices we make make us from parenting expert julie a ross and writer judy corcoran comes the fully revised joint custody with a jerk the highly praised guide to co parenting with an uncooperative ex spouse now updated to provide real solutions to tough family issues it s a fact that parenting is hard enough in a family where two parents love and respect each other after divorce when the respect has diminished and the love has often turned to intense dislike co parenting can be nearly impossible driving one or both parents to the brink of insanity joint custody with a jerk offers many proven communication techniques that help you deal with your difficult ex husband or ex wife by outlining common problems and teaching tools to examine your own role in these sticky situations this book conveys strategies for effective mediation that are easy to apply sensible timely and innovative this revised edition of a bestselling classic sheds light on how today s digital forms of communication can both hurt and help in custody conflicts and offers updated information throughout

that brings age old issues into the present day parenting is difficult enough in a family where the two parents love and respect each other in divorce where the respect has diminished and the love has often turned into intense dislike co parenting can drive on or both parents to the brink of insanity joint custody with a jerk offers many proven communication techniques that will help you deal with your difficult ex husband or ex wife by describing examples of common problems and teaching you to examine your role in these sticky situations these strategies for effective mediation are easy to apply down to earth and innovative this empowering guide is an inspirational roadmap for the millions of men and women navigating a rocky relationship with a former spouse while trying to maintain a healthy atmosphere for their child topics include the 7 strategies for peace when an ex refuses to change skills for taming former in laws ways to help children cope with a difficult parent strategies and alternatives for focusing anger how to avoid hot button issues how to nudge an ex to change for the better ways to deal

with children's questions and confusion the new partner's role in the old partner's shadow this is the book for every frustrated parent coming out of a divorce who needs support in setting things right the healthy sensible and sane way witnessing a woman go through divorce is like watching a tornado tear up a trailer park not only is someone losing their home and life as they know it but for most women it seems to go down with some extra drama thrown in the mix this is where the advice of authors holiday miller and valerie shepherd two experts in all things divorce comes in handy their unique friendship began after they had both married and divorced the same man the ex wives guide to divorce was born from this friendship with the goal to ease women's fears save them money and give them a road map of what lies ahead it will motivate women to get their head out of the sand and build their future dream sand castle by themselves sans prince charming divorce is painful heartbreaking and pretty miserable for everyone involved while men tend to champion the process most women collapse and become

emotionally distracted miller and shepherd s experience is while the husband is gathering ammunition with his high paid attorney the wife is frantic and disorganized most likely spending her energy on the phone with her best friend or sister instead of preparing herself for the battle ahead this helpful guide teaches women how to manage the business of divorce in a focused realistic and organized manner miller and shepherd aren t lawyers or psychologists but they ve experienced the process first hand and offer advice on how to build a support system and come out ahead this book charges women to put their big girl panties on and maintain a tenacious spirit while preparing and organizing for their divorce a guide for divorced fathers grandparents and gay partners who are looking to secure custody rights outlines strategies for obtaining out of court settlements while providing a resource list of helpful advocacy organizations in a reference that also shares advice on how to select a lawyer devise courtroom strategies and protect children from legal fallout original this empowering guide is an inspirational

roadmap for the millions of men and women navigating a rocky relationship with a former spouse while trying to maintain a healthy atmosphere for their child topics include the 7 strategies for peace when an ex refuses to change skills for taming former in laws ways to help children cope with a difficult parent strategies and alternatives for focusing anger how to avoid hot button issues how to nudge an ex to change for the better ways to deal with children s questions and confusion the new partner s role in the old partner s shadow this is the book for every frustrated parent coming out of a divorce who needs support in setting things right the healthy sensible and sane way it is almost always in your children s best interest to settle a case with or without mediation rather than to litigate in court said judge stewart his book fully clearly and concisely explains the process of court child custody litigation it shows how custody decisions are made what can be expected at each stage of the process and how parents can insure that their abilities are clearly presented to persons with influence over the custody decision

it is intended to eliminate surprises that could lead to costly mistakes along the way parents who settle custody disputes out of court will not only save tens of thousands of dollars but will have avoided the rancor and hostility of a custody trial that makes future cooperation in raising the children almost impossible with help from a capable and experienced attorney this book will allow the reader to present her his case for custody in its best possible light a must read for divorcing parents custody evaluators family psychologists and marriage and family therapists women are still discovering the hard way just how difficult and unpredictable child custody cases can be the first and most comprehensive book of its kind this is a complete insider s guide filled with crucial advice from judges lawyers therapists and mothers who have experienced this challenging legal process it is designed for women at every stage of divorce and covers a wide range of legal strategies as well as financial and psychological issues this updated edition describes how to use technology advantageously and pitfalls to avoid as well as changes in

interstate custody laws and essential topics such as choosing a lawyer what to expect before and in court blended families domestic violence risk factors for women what makes a custody agreement good or bad dealing with your emotions parental kidnapping cases an appendix of recommended reading provides information on setting up joint custody arrangements that benefit th child and parents and offers advice on dealing with such issues as helping your child adjust managing schedules school and money and remarriage gives practical advice on enforcing divorce settlements locating ex spouses modifying child support agreements and changing or enforcing visitation and custody rights whether assessing general family functioning or specific areas of conflict professionals preparing child custody evaluations require sound knowledge of three interrelated fields up to date legal issues psychological findings and forensic procedures this book covers these three essential areas to walk readers through the evaluation process clearly and concisely it further provides a unique combination of

legal guidelines with social science research this book is a combination of two previously published books by phil stahl sage conducting child custody evaluations and complex issues in child custody evaluations the book was written as a guide to help students and practitioners walk through the process of conducting a child custody evaluation a critical skill for a variety of mental health practitioners the book will cover the mental health expert s many possible roles as a therapist mediator evaluator consultant to attorneys expert witness and more it also address the best interest of the child legal custody and time share divorce and its impact on children and children s developmental needs the second part takes a step by step approach on how to conduct the evaluation including how to work with children and parents psychological testing and writing up the report the final part complex issues draws from the 1999 book and covers issues such as domestic violence non violent high conflict homes relocation special needs children substance abuse cultural issues and the alienated child the author s writing style is

friendly and easy to read making complex material easy to comprehend and implement explores the advantages and disadvantages of child custody arrangements including joint custody sole custody and bird s nest custody almost everyone is affected by divorce child rearing and support and by the changing structure of the family in our society but how many understand the issues and problems involved around custody of children when families split up what is fair and best for the child in this compelling expose the author of three previous books journalist and lecturer susan crean examines the controversial phenomenon of father s rights and mandatory joint custody in the name of the fathers provides indisputable evidence that much that is claimed as just and equitable in the name of the fathers is in reality concerned more with power than with the welfare of the children involved life does not end at divorce as you begin to pick up the pieces and work to move on with your life it can be easy to forget that your children are going through everything you are they need to be shown that they are not

losing their parents and that they are still loved how to love your kids more than you hate your ex will show you how to rise above your own hardships and keep your focus on all the wonderful things still in your life starting with the most important your children covering topics from child support to sharing custody to dealing with teenagers and new romances for you and your ex how to love your kids more than you hate your ex is a valuable resource and a much needed comfort during what can be the most difficult and trying experience of your life written in the voice of a caring friend offering helpful advice and the occasional bit of tough love how to love your kids more than you hate your ex contains both the information and the support you need to keep your mind off your divorce and onto your children a guide to surviving divorce and separation by growing stronger as a family parents and children both will benefit from the simple wisdom and heartfelt strength contained in this touching little book how to love your kids more than you hate your ex also

by donna hitchens and roberta achtenberg of the national center for lesbian rights the experience of becoming an ex is common to most people in modern society unlike individuals in earlier cultures who usually spent their entire lives in one marriage one career one religion one geographic locality people living in today s world tend to move in and out of many roles in the course of a lifetime during the past decade there has been persistent interest in these passages or turning points but very little research has dealt with what it means to leave behind a major role or incorporate it into a new identity helen rose fuchs ebaugh s pathbreaking inquiry into the phenomenon of becoming an ex reveals the profundity of this basic aspect of establishing an identity in contemporary life ebaugh is herself an ex having left the life of a catholic nun to become a wife mother and professor of sociology drawing on interviews with 185 people ebaugh explores a wide range of role changes including ex convicts ex alcoholics divorced people mothers without custody of their children ex doctors ex cops retirees ex nuns and

perhaps most dramatically transsexuals as this diverse sample reveals ebaugh focuses on voluntary exits from significant roles what emerges are common stages of the role exit process from disillusionment with a particular identity to searching for alternative roles to turning points that trigger a final decision to exit and finally to the creation of an identify as an ex becoming an ex is a challenging and influential study that will be of great interest to sociologists mental health counselors members of self help groups such as alcoholics anonymous and parents without partners those in corporate settings where turnover has widespread implications for the organization and for anyone struggling through a role exit who is trying to establish a new sense of self drawing on the first comprehensive study in england and wales to review the police custody process from the perspective of children bevan traces the child s journey from arrest through detention and interview to release or remand a rights based approach is used to evaluate the effectiveness of the protection under the present legal framework

coping with divorce can be one of the most stressful times of your life dealing with a high conflict ex in court is very difficult especially if details of meetings are confused it is recommended by lawyers and counselors to keep a journal to track details pertaining to custody and visitation you can show a pattern of abuse and disregarded agreements which courts will pay attention to easily keep track of all photos videos and witnesses to incidents that may occur being able to present in a concise manner will help show your organization and there will be more trust put into what you say in court keep track of everything you need for the courts dates and times including the actual time the ex arrived especially if late agreed meeting place details of what was discussed names of any photos or videos taken all details to help with co parenting and visitation parents with mental health issues like narcissist and borderline personality disorders can make your and your kids lives difficult when you have to deal with a parent that causes problems because of narcissist or borderline personality disorders it is difficult for

you to take care of your kids every time there is conflict it raises stress and harms your kids lawyers don t want to deal with someone that complains about the ex by keeping track of a pattern of problems and showing that the ex doesn t meet the agreements you can gain back control without having details of a series of problems the court won t see what the problem is using this journal you can help yourself and your kids by gaining the control and power back that might otherwise be taken from you start today with gaining your control and sanity back
