## ***Agricultural Engineering in Development***

1992

this manual is a second edition of a book i wrote in the 90s called spiritual warfare after consulting two brothers with whom i walk we have decided that this generation has either forgotten or been denied the reality of a full comprehensive plan of

salvation the reality is divine healing health and living have almost become a thing of the past and deliverance has been relegated to medical science and psychology the full comprehensive plan of salvation includes both healing and deliverance and we will never be made whole without them
