The Gift of Giving 2016-10-17 the gift of a father gives specific things that my father leonard james jr did throughout my life that were truly gifts and blessings to me he did these things by way of example teaching and mentoring that have been real blessings over the entire seventy five plus years of my existence key points in his teachings are 1 the sovereignty of god emphasizes that everything that man uses in technology and commerce was created by god we can

from our creator whether we acknowledge him or not 2 my father set forth god s model for manhood by his example and teaching he emphasized that god set forth the model or pattern in the first two chapters of genesis 3 he established that my identity must be set by godly principles and not by the thinking and behavior of the people and culture around me 4 he stressed the importance of having a vision for life and to avoid wandering aimlessly 5 as i entered puberty he impressed upon me the importance of commitment in marriage and a relationship with a female this means there is more that just sex involved he set the example in that he was married to my mother for 59 years before his death 6 life is filled with traps and snares he taught me to be careful when dealing with temptations and bait 7 racism was a major issue while i was growing up in mississippi in the 1950s and 1960s he and my mother emphasized that my success was possible and i had to assume responsibility for it 8 he raised me and my sisters to look to god s unconditional love and his grace even though we made mistakes
