Monthly Catalog of United States Government Publications 1987 the world drug report aims to enhance member states understanding of global illicit drug trends and to sensitize all governments about the need for more systematic collection and reporting of data related to illicit drugs unodc relies on member states to provide data primarily through the annual reports questionnaire arq this year out of some 200 distributed questionnaires unodc received 118 replies to the drug abuse section and 116 replies to the illicit supply of drugs section in general the ability of member states to provide information on illicit drug supply is significantly better than their ability to provide demand related data despite commendable progress for example in the area of prevalence estimates far more remains to be done to provide a solid reliable basis for trend and policy analysis

EPA Publications Bibliography 1998 el objetivo del informe mundial sobre las drogas es ayudar a los estados miembros a comprender mejor las tendencias mundiales de las drogas ilícitas y a los gobiernos a reconocer la necesidad de recopilar y comunicar la información sobre drogas más sistemáticamente la unodc depende de que los estados miembros le aporten datos principalmente mediante el cuestionario para los informes anuales este año se distribuyeron 200 cuestionarios y la unodc recibió 118 respuestas sobre el uso indebido de drogas y 116 respuestas sobre la oferta ilícita de drogas en general la posibilidad que tienen los estados miembros de

suministrar información sobre la oferta ilícita de drogas es mucho mayor que su posibilidad de aportar datos relacionados con la demanda pese a un meritorio avance por ejemplo en materia de estimaciones de prevalencia queda mucho por hacer antes de poder contar con una base sólida y confiable para un análisis de las tendencias y las políticas
