## **How to Really Love Your Child 1978**

it s the only sure way to be happy the only sure way to be free believe in yourself and believe in your dreams and you ll be what you dream you can be a warm and endearing story written in gentle rhyme about all the things every parent wishes to say to their child and every child longs to hear a joyful tale of parental love and a child s boundless enthusiasm for life

## **A Child's Love 2014-11-20**

home is love is about a young child who comes from a family where her parents are no longer together and she asks her mama about where her home is her mom explains in detail with different scenarios involving love memories or ideas that will help the little girl understand what makes up her home the main point is that wherever her daughter feels love and wherever her heart is with her mom dad her siblings etc is where her home is love is what matters and home is where the heart is suitable for ages 3 to 7 years reviews what a wonderful story it s emotional but oh so tender easy to read and understandable for young kids it gave simple examples and the illustrations are fantastic definitely a must read not only for kids of divorced parents but kids who share homes with grandparents other relatives or even kids in foster care love love love lucinda c austin mn i love the concept of this book as a parent of children in a split household i feel this book will be a huge help and comfort to children going through this situation my children ask this question of me i feel this book will provide parents and kids with comfort and a way to express a sentiment that is hard to find words for when this question is presented in their households dean e wilson nc

## **They Both Love You 2008-05**

the book mom what is love tries to deal with the concept of love and to convey to children the power of this vital emotion which is a driving force in our lives the book brings different kinds of love that the child experiences and the environment experiences and seeks to instill in him the recognition that there is room for all kinds of love beyond this the book seeks to encourage the child to express love both in speech and in gestures a child who is aware of his feelings and understands them may grow up to be a more balanced adult who will be attentive to his own feelings and those of others and will know how to receive love and express his love

## **Keep Love in Your Heart, Little One 2007**

this warm and original collection of quotes and stories and photographs will tickle your funnybone and tug at your heartstrings as children share their thoughts and secrets about moms dads grandparents brothers and sisters and love and marriage

## **How to Love a Child: And Other Selected Works 2018**

its true what they say about a teacher being on the front lines up close and personal with students from all walks of life and backgrounds many think this line is a dangerous one with the children of today but this teacher wants you to see children as she has seen them for years as beautiful human beings who are worthy of being taught in this book you will journey through the humor emotions stress and rewards of teaching children in an inner city school district you will laugh you may cry but most importantly you will see these children as precious darlings just as the author did as she went through the experience of teaching this book is a must read for new teachers potential teachers parents students and anyone who believes in the universal love of children

## **Home Is Love 2021-01-20**

divorce is a bitter thing for adults even more so for parents with children a bucket full of love for mommy s little girl is a picture book especially created for kids who are trying to cope with feelings of

confusion sadness and even guilt over the absence of their father in the home it gives divorced single mothers who for whatever reason have full custody a gentle way to help their children a bucket full of love for mommy s little girl is a book for ages four and older that provides compassionate answers kids will learn from its pages the reality and value of the love that surrounds them from dad grandma grandpa as well as siblings it teaches them to become aware of the love that is right before them in the here and now and what a beautiful and lasting thing that is so all the love in the make believe bucket is for me all mine grandma nodded i think i can add more love to the bucket by loving them all back the little girl said wistfully author h c wingert speaks from experience she is the grandmother of two girls who are facing the pain of separation from their mother she says a bucket full of love for mommy s little girl has emerged from observing the pain that the children cannot verbalize a child of divorce herself wingert says she has experienced hopelessness and helplessness and most of all the yearning for the other parent the intent of the book she says is not to put blame on anyone but rather to be able to accept what is in a day and age when so many children must face the pain of living in a divided family environment a bucket full of love for mommy s little girl is a balm for the heart

### **Life and Love and Everything 1993**

i love you more than the moon and stars is not your typical love story it is about a mother and daughters love and unbreakable bond no matter the struggle we will always love our children its important for them to learn that the mother and daughter in this story have a playful competition of who loves who the most
