those who accept jesus as their savior what is the role of the holy spirit in the plan of salvation is salvation a gift or a work can a christian lose his or her salvation tough seasons we all go through them at some point and they can really wear us down and make us feel defeated but the good news is no matter what you re struggling with right now god still has a plan for you he has not forgotten you and you are not alone practical encouraging and full of biblical truth trusting god s plan walking confidently with god through life s tough seasons will show you how to better understand recognize and live out god s plan for your life with answers to important questions like does god really care what i m going through right now if he does care why doesn t he do something can god really use me in spite of my past can i really trust god with my future what does trusting god s plan actually look like practically speaking everyone goes through tough seasons the only question is how don t waste yours feeling worried fearful or angry at god learn to walk confidently trusting god s plan every step of the way this book will show you how most of my life i looked for facts to justify my faith and quantify god until one day i asked god if he was real and he removed all doubt from the inside out this book is the story of my walk toward god and ties together some of the major themes and mysteries of the bible that relate to the christian life it may help you to understand who god is who we are and what god s plans are for planet earth and to each of you it affords a different perspective of biblical truth and is intended to expand our understanding of reality by looking at what god says is true jesus said he came so that we could have life and have it more abundantly eternal life will definitely do that but there may be more that can be experienced now it is written that as a man thinks so is he and for lack of knowledge a person perishes believing the truth will set us free here and now and leads to eternal life when we pass over this book is comprised of over thirty years of notes and studies i have collected while attending and teaching bible studies at several different denominations in several different states and in spain the book ends with a look at prophecy that has come to pass and prophecy of future events this study examines one significant theological theme in luke acts that of the plan of god it traces the way this theme is developed throughout luke acts both through direct statements by the writer and through various associated means such as divine appearances signs and wonders the fulfilment of prophecy and indications of fate as of necessity dr squires locates luke s use of this theme in the context of the history writing of the hellenistic period noting numerous passages in those works which illumine luke s theological purposes his book shows how the notion of the plan of god is used by luke as he writes to confirm his readers faith encouraging them to bear witness to this faith and equipping them for the task of defending it was the church age in god s original plan or are we simply an afterthought rev robert cobb seeks to answer the intriguing question is the church age which includes you and i a gap in god s plan he begins with the belief that god created everyone with purpose and rev cobb seeks to determine whether god has altered his original plan cobb looks to scripture to reflect on the immutable nature of god explaining what a person believes about christ jesus is critically important he also tests the scriptural bases for several theological questions and how they impact the christian faith are we each included in god s original plan as individuals is this day and age a gap in god s plan what did god mean when he said let us make man in our own image are there different paths to salvation cobb maintains that god created every person to be like himself which can only be realized through a personal relationship with jesus christ the discovery of god s original plan seeks to enhance your reverence for the awesomeness of the god of creation and helps you look forward to what is yet to come holistic mission or integral mission implies god is concerned with the whole person the whole community body mind and spirit many christians concentrate only on one aspect this book reaffirms that to be true to the bible to follow the example of jesus
