Followed by Frost

2015

charlie is a vibrant writer with an excellent voice and great world building brandon sanderson author of mistborn and the way of kings seventeen year old smitha s wealth status and beauty make her the envy of her town until she rejects a strange man s marriage proposal and disastrous consequences follow smitha becomes cursed and frost begins to encompass everything she touches banished to the hills hunted by villagers and chilled to the very core of her soul she finds companionship with death who longs to coax her into his isolated world but smitha s desire for life proves stronger than despair and a newfound purpose gives her hope will regrets over the past and an unexpected desire for a man she cannot touch be enough to warm smitha s heart or will death forever still it

Frost and the Prevention of Frost Damage

1940

india one of the largest importers of oil in the world has been diversifying its energy resource options and moving towards greater energy security this book analyses india s potential for building energy ties in the asia pacific considering the global and regional power politics facing china s growing influence in asia india s eastward engagement with its extended neighbours has been entrenched in its act east policy and institutional commitments towards southeast asia this volume focuses on diverse facets of energy security beyond the traditional understanding of demand and supply and price and stability it examines india s energy sector its dependence on hydrocarbons and the push towards renewable and alternate energy resources it further looks at the strategic importance of the indian ocean and south china sea regions in geopolitical negotiations from an energy perspective and how china s influence in the region will affect india s moves towards greater energy cooperation with the countries of east asia with contributions by leading experts the volume seeks to fill a major void in this theme and cater to the needs of a variety of audiences including academics policymakers and experts in international relations geopolitics and geoeconomics and professionals in the field of energy studies

The Annals of Philosophy

1816

containing a wealth of archival material and statistical data on crime and criminal justice criminal justice in hong kong presents a detailed evaluation of hong kong s criminal justice system both past and present exploring the justice system and the perceptions of popular culture this book demonstrates how the current criminal justice system has been influenced and shaped over time by hong kong s historical position between east and west jones and vagg s examination of the justice system not only takes into account geographical changes like the erection of the border with communist china in 1950 but also insists that any deep understanding of the current system requires a dialogue with the rich and complex narratives

of hong kong s history it explores a range of questions including how were hong kong s criminal justice institutions and practices formed what has been its experience of law and order how has hong kong s status as between east and west affected its social political and legal institutions careful and detailed this analysis of one of the most economically successful politically stable and safe yet frequently misrepresented cities is a valuable addition to the bookshelves of all undergraduate and postgraduate students studying asian law
