time may actually qualify as an understatement they really are that popular the cj series

arguably started after world war ii with the cj 2a being introduced to the masses and while the

early cjs have their share of enthusiasts the largest group of enthusiasts began their love

affair with the amc powered jeep cj 5s beginning in 1972 joined by the longer wheelbase cj 7

models introduced in 1976 the cj models were wildly popular through their discontinuation in
