Let's Talk 2 second edition is for students at the intermediate level. Features of the student's book include more systematic presentation and recycling of structures and vocabulary, an increased focus on communication activities, and new expansion review sections after every four units. The expanded self-study section now includes grammar listening and vocabulary practice, offering students additional opportunities to review and consolidate the material. The grammar paradigms and listening text are included on the self-study audio CD packaged with the student's book.

Let's Talk 2 second edition is a speaking and listening course that takes students from a high beginning to a high intermediate level. The Let's Talk 2 second edition teacher's manual has been enhanced and expanded to offer increased support and flexibility. Included are detailed teaching notes, clear learning objectives for every activity, teaching tips, expansion activities, and writing options provided as photocopyables in the back of the book. There are model conversations for discussion, support talking points for additional speaking practice, and a complete assessment program including quizzes and tests. The audio CD packaged with the teacher's manual provides all the listening sections for the assessment program.

connect is a four level four skills american english course for young adolescents connect encourages students to connect to english through contemporary high interest topics and contexts fun dialogs and games each student s book includes grammar and vocabulary presentations and a multi skills graded syllabus provided by publisher
