a totally gorgeous read beth o leary author of the flatshare two best friends one huge crush a year that could change everything el evans is stuck in a dead end job hopelessly in unrequited love with her best friend ray and in need of a major life change after a new year s resolution to be more wild el is soon in possession of one small tattoo one bad hangover and memories of one very disappointing threesome but she s trying and surely it can only get better so when a plan is hatched for el ray and their two closest friends newly heartbroken will and instagram darling jamie to ditch the big city and move out to a ramshackle house in the middle of the english countryside el can hardly say no this is her big chance for a fresh start the perfect wild thing but living in close proximity to the love of your life without letting on isn t as easy as el might think will a year of wild things turn these friends into lovers a must read romcom for fans of emily henry bolu babalola and beth o leary a sparkling witty read the comedic timing was pitch perfect lizzie damilola blackburn joyous funny sexy and romantic real emily henry vibes a triumph kate sawyer perfectly observed and brilliantly funny i adored it emma hughes heady giddy and outrageously flirty lily lindon

Political Fiction, the Spirit of the Age, and Allen Drury

1987

the president of the united states says the constitution cannot act in many specified

instances without the advice and consent of congress but advice is not a strong word and taking or not taking advice is a fairly nebulous situation creating an instability a fundamental ambiguity at the very heart of power between the congress and the president it is this instability and this wide openness that allows the free play of the more intangible types of power that begin where the constitution breaks off sex personality and character things which are left out of civics textbooks are what allen drury took as his subject in such novels as advise and consent a shade of difference and capable of honor
