Reflective Practice for Teachers 2017-05-15 excerpt from effective teaching a manual for teachers and supervisors in this discussion it is our purpose to help the teacher measure the effectiveness of her work by pointing out the chief elements in effective teaching and by giving her a standard by which she maybe able to determine her weak and strong points the aver age teacher does not improve herself because she does not in the first place know where her chief weaknesses are and in the second place if she does know them she does not know how to correct them she may know that her work is not as effective as it should be but she frequently does not know just why it is not she needs some mean s by which she can measure what she is in the light of what she may be about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Treasure Chest for Teachers 1980 nobody would believe this stuff this staff room refrain was usually in response to the verbiage or antics of children or teens the nonsensical decisions of those in the education bureaucracy including myself or the fatuous comments that emanate from education professors or politicians trumpeting the need for change in public education from latin to robotics politicians to principals and hot dogs to nourishment from football to dances and psychobabble to counselors the jargon that makes teaching such a special profession and the shenanigans that make school such a unique workplace are highlighted and lampooned edubabble this form of educator communication involves the ridiculously fluffy words and silly sloganeering intended to obfuscate issues and confuse non educators colleague reaction to edubabble is antithetical some teachers roll exasperated eyes and snort derisively while others nod deferentially to those proficient in its use see curriculum coordinators expert inquiry based learning leading edge quest for excellence robust visionary yappers 2 teacher this complex position requires the skills of a social worker police officer counselor referee warden mother father professor
