is unabated inflation the new normal inflation is back and here to stay for companies this means that the world in which they do business has fundamentally changed this book examines inflation from multiple perspectives and offers actions and strategies for companies to cope with and manage it to ensure their survival for businesses and consumers it is not a question of eliminating inflation but how to cope with it in order to suffer as little damage as possible this includes not just price management but also sales finance purchasing cost management along with digitalization and innovation activities in equal measure it also requires corporate cultural change which if managed fast and successfully the prospects of defeating inflation and thus ensuring the survival of the company are good

the book is divided into seven main chapters: 1. Understanding Inflation, 2. The Impact of Inflation on Businesses and Consumers, 3. Managing Inflation through Price Management, 4. Managing Inflation through Sales, Finance, and Purchasing, 5. Managing Inflation through Digitalization and Innovation, 6. Corporate Cultural Change, and 7. Conclusion. Each chapter provides practical advice and case studies to help companies navigate the challenges of inflation.

The book also includes a glossary of key terms and a bibliography for further reading. It is intended for anyone involved in business, particularly those in management, finance, and operations roles. The author, Chris Crass, is a well-known speaker and writer on topics related to social justice and economic inequality, and his perspective adds depth to the analysis of inflation.

The book is available in both print and digital formats, and can be purchased online. It is a valuable resource for anyone looking to understand and manage inflation in the current economic environment.

Beating Inflation

2022-11-10
