Proceedings of the Workshop 1989 with essays by stephen davis penelope drooker patricia k galloway steven hahn charles hudson marvin jeter paul kelton timothy pertulla christopher rodning helen rountree marvin t smith and john worth the first two hundred years of western civilization in the americas was a time when fundamental and sometimes catastrophic changes occurred in native american communities in the south in the transformation of the southeastern indians 1540 1760 historians anthropologists and archaeologists provide perspectives on how this era shaped american indian society for later generations and how it even affects these communities today this collection of essays presents the most current scholarship on the social history of the south identifying and examining the historical forces trends and events that were attendant to the formation of the indians of the colonial south the essayists discuss how southeastern indian culture and society evolved they focus on such aspects as the introduction of european diseases to the new world long distance migration and relocation the influences of the spanish mission system the effects of the english plantation system the northern fur trade of the english and the french dutch and english trade of indian slaves and deerskins in the south this book covers the full geographic and social scope of the southeast including the indigenous peoples of florida virginia maryland the appalachian mountains the carolina piedmont the ohio valley and the central and lower mississippi valleys

Monthly Catalog of United States Government Publications 1993 the pulitzer prize winning author s stunning trilogy of american history spanning the birth of the constitution to the final days of the cold war in these three volumes pulitzer prize and national book award winner james macgregor burns chronicles with depth and narrative panache the most significant cultural economic and political events of american history in the vineyard of liberty he combines the color and texture of early american life with meticulous scholarship focusing on the tensions leading up to the civil war burns brilliantly shows how americans became divided over the meaning of liberty in the workshop of democracy burns explores more than a half century of dramatic growth and transformation of the american landscape through the addition of dozens of new states the shattering tragedy of the first world war the explosion of industry and in the end the emergence of the united states as a new global power and in the crosswinds of freedom burns offers an articulate and incisive examination of the us during its rise to become the world s sole superpower through the great depression the second world war the cold war and the rapid pace of technological change that gave rise to the american century

Guidance Specifying Management Measures for Sources of Nonpoint Pollution in Coastal Waters 1968 wildlife and recreationists defines and clarifies the issues surrounding the conflict between outdoor recreation and the health and well being of wildlife and ecosystems contributors to the volume consider both direct and indirect effects of wildlife recreationist interactions including wildlife responses to disturbance and the origins of these responses how specific recreational activities affect diverse types of wildlife the human dimensions of managing recreationists the economic importance of outdoor recreation how wildlife and recreationists might be able to coexist the book is a useful synthesis of what is known concerning wildlife and recreation more important it addresses both research needs and management options to minimize conflicts

Monthly Catalog of United States Government Publications 1979 when the franklin motor expedition set out across the canadian prairies to collect first nations artifacts brutal assimilation policies threatened to decimate these cultures and extensive programs of ethnographic salvage were in place despite having only three members the expedition amassed the largest single collection of prairie heritage items currently held in a british museum in this book alison k brown draws together the multiple narratives that make up this encounter consulting descendants of the collectors and members of the affected first nations and reviewing both expedition images and the artifacts themselves in doing so she explores the context within which the collection was made as well as the complex relationships between museums anthropologists and first nations accessibly written and vigorously researched first nations museums narrations raises timely questions about the role of collections in the twenty first century and considers the way forward for indigenous peoples and the museums that house their cultural treasures

Monthly Catalogue, United States Public Documents 2001 this book is a comprehensive extensively illustrated practical reference guide to about 100 canadian vegetables it covers both commercial and home garden crops and includes essentially all of the major minor and potentially new vegetables of canada

Oklahoma Geology Notes 1890 more examples of texas rich heritage of locally made nineteenth century furniture and information on the craftsmen who produced it

American Gardening 1999 the art of furniture making flourished in texas during the mid nineteenth century to document this rich heritage of locally made furniture miss ima hogg the well known philanthropist and collector of american decorative arts enlisted lonn taylor and david b warren to research early texas furniture and its makers after more than a decade of investigation they published texas furniture in 1975 and it quickly became the authoritative reference on this subject an updated edition texas furniture volume one was issued in the spring of 2012 texas furniture volume two presents over 150 additional pieces of furniture that were not included in volume one each superbly photographed in color and accompanied by detailed descriptions of the piece s maker date materials measurements history and owner as well as an analysis by the authors taylor and warren have also written a new introduction for this volume in which they amplify the story of early texas furniture in particular they compare and contrast the two important traditions of cabinetmaking in texas anglo american and german and identify previously unknown artisans the authors also discuss nineteenth century texans desire for refinement and gentility in furniture non commercial furniture making and marquetry work and they pay tribute to the twentieth century collectors who first recognized the value of locally made texas furniture and worked to preserve it a checklist of texas cabinetmakers which contains biographical information on approximately nine hundred men who made furniture in texas completes the volume

Tallgrass Prairie National Preserve, Kansas, General Management Plan 1983 material culture from prehistoric virginia volume 1 is one volume of a two volume set this two

volume set is available in black and white and in color volume 1 contains artifact listings from a through l volume 2 contains the remainder of the alphabetical listings these publications contain over 10 000 prehistoric artifacts mainly from virginia but the publication covers the eastern u s the set starts with pre clovis and goes through woodland times with some indian ethnography and rockart each volume is indexed contains references has charts and graphs drawings photographs artifact dates and artifact descriptions these volumes contain artifacts that have never appeared in the archaeological literature from beginners to experienced archaeologists they offer a complete library for the american indian culture and experience if the prehistoric indian made it an example is probably shown
