every story has a beginning a journey and an end author vera leinveberss story begins in her beloved  
homeland of latvia just prior to the outbreak of world war ii her early childhood is filled with joy and  
music but this idyllic carefree existence is irrevocably silenced by the advancing drumbeats of war the  
journey that follows proves so intense and harrowing that in order to find the emotional separation  
necessary to face her traumatic childhood memories leinvebers filters her experiences through the eyes of  
a young latvian girl called lara no time to cry tells the story of laras harrowing ordeal in war ravaged  
europe it is a story about brutality hatred and unimaginable loss but it is also a lasting testament to one little  
girls indomitable will to survive when she loses nearly everything she holds dear lara desperately clings to  
the all that remainsthe music indelibly etched in her memory and a small smooth stone that she retrieved  
from the charred remains of her former home that small stone became her symbol of strength if it could  
survive the inferno and devastation so could she join lara as a traveller on the path of her war ravaged  
childhood a path that clearly proves that no matter how much one might suffer when the goal is to survive  
there is simply no time to cry
