weight by model cdi identification speed gear ratio calc vin serial number table
stock tire size by model stanly headlight taillight part numbers i have an 08
crf450r that i am at some point going to be changing the automatic cam chain
tensioner to a tokyo mods manual unit could someone please tell me how to set it
up so it is applying the proper tension to the cam chain manuals and user guides
for honda atv we have 1 honda atv manual available for free pdf download service
manual the factory auto tensioner works just fine as long as it hasn t reached the
end of it s adjustment the manual one might make the slap go away because it has
more adjustment merely hiding the fact that your chain is stretched of your
original acct is bad personally i think the manual ones are a gimmick
