byzantine historian of the 6th century and he is often referred to as the last historian of the ancient western world procopius s greatest work is history of the wars which provides great detail of the persian war the vandalic war and the gothic war books iii and iv of history of the wars focuses on the vandalic war which was fought in north africa in 533 534 this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant divided into seven books it opens with a summary of jewish history from the capture of jerusalem by the seleucid ruler antiochus iv epiphanes in 164 bc to the first stages of the first jewish roman war the next five books detail the unfolding of the war under roman generals vespasian and titus to the death of the last sicarii the book was written about 75 ad originally in josephus s paternal tongue probably aramaic though this version has not survived it was later translated into greek probably under the supervision of josephus himself the sources of knowledge of the first jewish roman war are this account of josephus the talmud gittin 57b midrash eichah and the hebrew inscriptions on the jewish coins minted and book v of tacitus histories the text also survives in an old slavonic version as well as hebrew which contains material not found in the greek version and which is lacking other material found in the greek version this is a curated and comprehensive collection of the most important works covering matters related to national security diplomacy defense war strategy and tactics the collection spans centuries of thought and experience and includes the latest analysis of international threats both conventional and asymmetric it also includes riveting first person accounts of historic battles and wars some of the books in this series are reproductions of historical works preserved by some of the leading libraries in the world as with any reproduction of a historical artifact some of these books contain missing or blurred pages poor pictures errant marks etc we believe these books are essential to this collection and the study of war and have therefore brought them back into print despite these imperfections we hope you enjoy the unmatched breadth and depth of this collection from the historical to the just published works the war of 1812 ranged over a remarkably large territory as the fledgling united states battled great britain at sea and on land across what is now the eastern half of the u s and canada native people and the spanish were also involved in the war s interrelated conflicts often overlooked the war of 1812 has been the subject of an explosion of new research over the past twenty five years the routledge handbook of the war of 1812 brings together the insights of this research through an array of fresh essays by leading scholars in the field offering an overview of current understandings of the war that will be a vital reference for students and researchers alike the essays in this volume examine a wide range of military political social and cultural dimensions of the war with full consideration given to american canadian british and native viewpoints the international group of contributors place the war in national and international context chart the course of events in its different theaters consider the war s

legacy and commemoration and examine the roles of women african americans and natives capturing the state of the field in a single volume this handbook is a must have resource for anyone with an interest in early america an illustrated narrative of the events and analysis of the personalities involved in the dynastic struggle between the forces of lancaster and those of york for the english throne leckie treats not the causes of our wars nor the controversies that have always attended them nor their results so often equivocal debatable or flatly disappointing but the manner in which they were fought their leadership their pages of glory and of shame allan nevens saturday review this is a curated and comprehensive collection of the most important works covering matters related to national security diplomacy defense war strategy and tactics the collection spans centuries of thought and experience and includes the latest analysis of international threats both conventional and asymmetric it also includes riveting first person accounts of historic battles and wars some of the books in this series are reproductions of historical works preserved by some of the leading libraries in the world as with any reproduction of a historical artifact some of these books contain missing or blurred pages poor pictures errant marks etc we believe these books are essential to this collection and the study of war and have therefore brought them back into print despite these imperfections we hope you enjoy the unmatched breadth and depth of this collection from the historical to the just published works

**The Wars** 1983 in 1915 robert ross a young canadian enlists in the army as an officer his experiences of life in a training camp of the trenches in europe and with death are vividly told some strong language and explicit descriptions of sex winner of the 1977 governor general s award for fiction 1977

**The Wars** 1977 the methods developed by british intelligence in the early twentieth century continue to resonate today much like now the intelligence activity of the british in the pre second world war era focused on immediate threats posed by subversive clandestine networks against a backdrop of shifting great power politics even though the first world war had ended the battle against britain s enemies continued unabated during the period of the 1920s and 1930s buffeted by political interference and often fighting for their very survival britain s intelligence services turned to fight a new clandestine war against rising powers soviet russia and nazi germany using recently declassified files of the british security service mi5 the secret war between the wars details the operations and tradecraft of british intelligence to thwart communist revolutionaries soviet agents and nazi sympathizers during the interwar period this new study charts the development of british intelligence methods and policies in the early twentieth century and illuminates the fraught path of intelligence leading to the second world war an analysis of britain s most riveting interwar espionage cases tells the story of britain s transition between peace and war the methods developed by british intelligence in the early twentieth century continue to resonate today much like now the intelligence activity of the british in the pre second world war era focused on immediate threats posed by subversive clandestine networks against a backdrop of shifting great power politics as western countries continue to face the challenge of terrorism and in an era of geopolitical change heralded by the rise of china and the resurgence of russia a return to the past may provide context for a better understanding of the future kevin quinlan received his phd in history from the university of cambridge he works in washington dc

**The Secret War Between the Wars** 2014 during the lively years of general belisarius campaigning in africa in italy and in the east procopius was an eyewitness of the events he describes in his writings in 527 we find him in mesopotamia in 533 he joined belisarius to africa and in 536 he traveled with him to italy highly recommended to those who enjoy accounts of the ancients and those times and places from times long past

**History of the Wars (Books I & II)** 2020-07-13 an examination of the origins of the wars of german unification which covers such subjects as the international situation and the domestic crisis and gives a detailed account of the wars and their ramifications for europe and germany itself the text pays particular attention to the personality of bismarck as a leader and his prussian centred policy and the ways in which he ensured that no fanatical ideologies would turn the wars into totalitarian conquests

**The Origins of the Wars of German Unification** 1991 first published in 1990 the second half of the fifteenth century was one of the most turbulent periods of english history present popular knowledge of the bitter struggle for the throne between the rival houses of york and lancaster derives largely from shakespeare s history plays which in their turn were coloured by tudor propaganda and most books on the wars of the roses have concentrated on politics and personalities discussion of military matters has hitherto been chiefly confined to colourful and sometimes fanciful accounts of the major battles on which accurate information is scanty the present work is a military history of the wars of the roses in the first part is presented an overall view of the campaigns from the first skirmishes of 1452 to the last campaign in 1497 and examines the general ship of the commanders in both camps in the second covering military organisation how armies were recruited paid fed billeted armed and deployed the author shows that in a period of rapid change in

European methods of warfare the English were not so old-fashioned as has sometimes been supposed. In conclusion he assesses the effects of the wars on society in general. The book makes extensive use of fifteenth-century sources both English and continental including chronicles, civic records and letters and presents a vivid picture of the wars as they were seen and described by contemporaries.

**The Wars of the Roses** 2017-09-25 The Wars of America is a dramatic and compelling narrative history by an outstanding military historian of America's armed conflicts and the political, cultural and economic factors behind them. Since the earliest explorers and settlers arrived on this continent first published in 1968 it was revised and updated in 1981 to include the Vietnam War. It has now been updated to include all the events of the last ten years in Lebanon, Grenada, Panama and the victory over Iraq in the Persian Gulf by United Nations forces under the command of General Norman Schwarzkopf. A final chapter analyzes the self-destruction of the European Communist world in the summer and fall of 1991 including the collapse of the hard-line Soviet government and the upheavals in Yugoslavia and speculates on the meaning of these developments on America's future. Leckie not only stresses those personal aspects of war that make it the most intense and contradictory of our experiences. In the new chapters he shows how while operating in a quintessentially American tradition our military and political leaders applied the tragic lessons learned in the war in Southeast Asia against North Vietnam by changing from a conscripted to a volunteer army thus leading the way to better training methods, higher morale and far better performance on the battlefield. Combining dramatic narrative with sound reference material, The Wars of America is essential for anyone who wishes to understand America at war.

**The Wars of America** 1981 At the end of 1918 one prescient American historian began to write a history of the Great War. What will you call it? He was asked. The First World War was his bleak response. In between the wars Philip Ziegler examines the major international turning points, cultural and social as well as political and military that led the world from one war to another. His approach is panoramic, touching on all parts of the world where history was being made. Examining Gandhi's march to the sea and the Chaco War in South America alongside Hitler's rise to power, it is the tragic story of a world determined that the horrors of the First World War would never be repeated yet committed to a path which in hindsight was inevitably destined to end in a second, even more devastating conflict. Each chapter bears the unmistakable stamp of Ziegler's scholarship: a keen eye for the telling anecdote, elegant and fluid prose and calm and fair judgments in a world that grows ever more uncertain. Its perspective on how hopes of peace can dissolve into the promise of war becomes more relevant with each passing day.

**History of the Wars (Complete)** 1967 Soldier from the wars returning is one of the truest, most profound and readable personal accounts of the Great War. The author waited nearly fifty years before writing it and the perspective of history enhances its value. He writes only of the battles in which he participated including the Somme and Passchendaele though his comments on affairs beyond his knowledge at the time through later study and reflection are pungent and stimulating. Among other topics he describes the politicians, the generals, Kitchener's Army, Hore Belisha, German gas attacks, Picardy dugouts, tanks, the sex life of the soldier, scrounging trench kits and the censoring of letters. The author saw the First World War from below as a fighting soldier in a line regiment. In the Second World War he served as a staff officer liaising between the Army and the RAF, serving two tours at RAF Bomber Command HQ at High Wycombe. This equipped him to draw forthright comparisons between the conduct of the two wars.

*Between the Wars* 2016-10-06 This authoritative A-Z encyclopedia of the Wars of the Roses provides accurate

and concise descriptions of the major battles and events and the principal historical figures and issues involved for centuries historians agreed about the wars of the roses seeing them as four decades of medieval darkness and chaos when the royal family and the nobility destroyed themselves fighting for control of the royal government even shakespeare got into the act dramatizing popularizing and darkening this viewpoint in eight plays today based on new research this has become one of the most hotly controversial periods in english history historians disagree on fundamental issues such as dates and facts as well as interpretation most argue that the effects of the wars were not as widespread as once thought and some see the traditional view of the era as merely tudor propaganda a few even claim that england during the late 15th century was a society organized for peace historian john a wagner brings readers up to date on the latest research and thinking about this crucial period of england s history

Soldier from the Wars Returning 2006-01-01 british writer philip gibbs wrote a book of articles titled the soul of the war during in world war i the book gives a vivid and first person description of how the conflict played out based on his experiences as a war journalist and his encounters with troops serving on the front lines gibbs presents a distinctive viewpoint on the conflict in the book he talks about the brutality and destruction of the conflict as well as the fortitude and perseverance of the men who participated in it the articles in the soul of the war discuss a variety of subjects such as how the war affected everyday life what it was like for men to fight in the trenches and how it affected politics and society gibbs also considers the war s larger ramifications such as its impact on national identity and the evolving position of women in society all things considered the soul of the war is a stirring and perceptive perspective on one of the most important occasions in human history the writing of gibbs captures the humanity of the battle and serves as a moving reminder of the human cost of war

*Encyclopedia of the Wars of the Roses* 2001-07-12 the last day of june 1559 was a gala day in paris the marriages of philip ii of spain with elizabeth of france daughter of king henry ii and catherine de medici and that of the french king s sister marguerite with emanuel philibert duke of savoy were to be celebrated but the torches of joy became funeral tapers before nightfall for henry ii was mortally wounded in the tournament given in honor of the occasion

The Wars of the Huguenots 1871 history of the wars volume v from procopius prominent late antique scholar from palaestina prima 500 565a d

**Annals of the Wars of the Nineteenth Century** 1863 combining extensive research in primary sources with the work of the new military historians such as john keegan and richard holmes charles carlton provides a fresh look at the event once described by g m trevelyan as the most important happening in our history

**History of the wars resulting from the Frenchrevolution. To which is added, an appendix** 1815 history of the wars by the byzantine historian procopius late fifth century to after 558 ce consists largely of sixth century ce military history with much information about peoples places and special events powerful description complements careful narration procopius is just to the empire s enemies and boldly criticises emperor justinian

*The History of the Wars which Arose Out of the French Revolution:* 1804 at the outbreak of the first world war an entire generation of young men charged into battle for what they believed was a glorious cause over the next four years that cause claimed the lives of some 13 million soldiers more than twice the number killed in all the major wars from 1790 to 1914 but despite this devastating toll the memory fostered by the belligerents was not of the grim reality of its trench warfare and battlefield carnage instead the nations

that fought commemorated the war's sacredness and the martyrdom of those who had died for the greater glory of the fatherland the sanctification of war is the subject of this pioneering work by well known european historian george l mosse fallen soldiers offers a profound analysis of what he calls the myth of the war experience a vision of war that masks its horror consecrates its memory and ultimately justifies its purpose beginning with the napoleonic wars mosse traces the origins of this myth and its symbols and examines the role of war volunteers in creating and perpetuating it his book is likely to become one of the classic studies of modern war and the complex often disturbing nature of human perception and memory

**The Soul Of The War** 2023-04 reproduction of the original

History of the Wars 2000 here patrick crowhurst identifies the crucial political problem that faced czechoslovakia between 1918 and 1939 the rift between the czechs and the sudeten germans that would open the way for the rise of konrad henlein's right wing sudeten deutsch party and which was exploited ruthlessly by hitler during nazi germany's 1938 annexation of czechoslovakia a history of czechoslovakia between the wars deepens our understanding of a fragile europe before world war ii and is essential for students and scholars of 20th century history

The Wars of Religion in France 2018-01-19 the author of the new york times bestseller the plantagenets and the templars chronicles the next chapter in british history the historical backdrop for game of thrones the inspiration for the channel 5 series britain's bloody crown the crown of england changed hands five times over the course of the fifteenth century as two branches of the plantagenet dynasty fought to the death for the right to rule in this riveting follow up to the plantagenets celebrated historian dan jones describes how the longest reigning british royal family tore itself apart until it was finally replaced by the tudors some of the greatest heroes and villains of history were thrown together in these turbulent times from joan of arc to henry v whose victory at agincourt marked the high point of the medieval monarchy and richard iii who murdered his own nephews in a desperate bid to secure his stolen crown this was a period when headstrong queens and consorts seized power and bent men to their will with vivid descriptions of the battles of towton and bosworth where the last plantagenet king was slain this dramatic narrative history revels in bedlam and intrigue it also offers a long overdue corrective to tudor propaganda dismantling their self serving account of what they called the wars of the roses
