dwell upon the great advantages of one who should be like a father to the boy aiding him by
wise counsel and guiding him in every difficulty kate preferred to fancy the count introducing
frank into all the brilliant society of the splendid capital presenting him to those whose
acquaintance was distinction and at once launching him into the world of fashion and enjoyment
the promptitude with which he acceded to their father s application on frank s behalf was
constantly referred to as the evidence of his affectionate feeling for the family and if his
one solitary letter was of the very briefest and driest of all epistolary essays they
accounted for this very naturally by the length of time which had elapsed since he had either
spoken or written his native language
