Discipline and Punishment 2012-09-07

a child talks back to her mother a teenager starts slamming doors and giving dirty looks a naughty toddler seems to enjoy the negative response he gets from his exhausted parents when misbehaviors begin they

can quickly escalate into an uphill battle of yelling tears and resistance on both sides this guide is a reassuring and realistic resource for parents struggling to find a positive balance with their kids featuring guidance on how to set priorities for children of any age open the lines of communication both ways enforce punishments that teach rather than torture work successfully with your partner cultivate an environment of mutual respect with short takeaways at the conclusion of each chapter this guide is the only resource you need to cope with behavior issues and raise a well behaved child

The Everything Parent's Guide to Positive Discipline 2011-10-15

global politics is a crowded stage of players competing for power and authority who is in charge of what how do they stay in charge and what are the effects this volume raises these questions in case studies on regimes of torture and surveillance in women s rights border control media global capital and religion

Discipline and Punishment in Global Politics 2008-06-09

this text offers a balanced and comprehensive approach to show how a variety of research supported and practical strategies and techniques are used to prevent and correct misbehavior and to help achieve the long term aim of developing self discipline rather than focusing on untested models of classroom discipline this book presents a more balanced and comprehensive approach to classroom discipline balancing the perspective of character educators and the perspective of those who are concerned about managing and correcting misbehavior presents a balanced and comprehensive approach to class discipline the book highlights critical issues of classroom discipline that educators have faced over the years including the use of punishment the teaching of values character education the causes and implications of school violence and the rights of students with and without disabilities pre service and in service teachers

Developing Self-discipline and Preventing and Correcting Misbehavior 2005

how much say should students have in shaping their schools disciplinary cultures should they have the power to weigh in on contentious issues like favouritism discrimination no hats rules and zero tolerance what if pupils disagree with their teachers and administrators on certain rules rebecca raby reflects on how regulations are made applied and negotiated in educational settings in the accessibly written school rules through an in depth analysis of original data including interviews with teachers administrators and students and codes of conduct school rules reveals what rules mean to different participants and where it is that they becoming a challenge raby investigates students acceptance or contestation of disciplinary regulations and examines how school rules reflect and perpetuate existing inequalities and students beliefs about young people illustrating the practical challenges and political and theoretical concerns of involving students in rule making school rules can help teachers and administrators facilitate more meaningful rules

and student participation in their own schools

FASTING, DISCIPLINE, AND SELF-CONTROL 2012-04-28

classroom discipline remains the single most common problem educators face in their day to day teaching because discipline problems are so prevalent and difficult to solve many educators and specialists in related fields have attempted to provide help for teachers their suggestions come from a variety of perspectives and are based on different assumptions about the purposes of schooling and the capabilities of students teachers often fail to scrutinise the assumptions on which these discipline approaches are based or to measure them against their own values and educational philosophy this text is designed to help teachers explore various approaches to classroom discipline along with their own personal philosophy the text emphasizes informed decision making the teacher must have an understanding of the assumptions behind a disciplinary approach as well as the theory and practical applications of that approach

School Rules 1836

how can schools create safe well supervised classroom environments while also teaching students skills for managing their behavior on their own this invaluable guide presents a framework for achieving both of these crucial goals it shows how to balance external reinforcements such as positive behavior supports with social emotional learning interventions evidence based techniques are provided for targeting the cognitive and emotional processes that underlie self discipline both in classroom instruction and when correcting problem behavior describing how to weave the techniques together into a comprehensive schoolwide disciplinary approach the book includes over a dozen reproducible forms checklists and assessment tools the large size format facilitates photocopying this book is in the guilford practical intervention in the schools series edited by sandra m chafouleas

The Books of Discipline, and of Common Order; the Directory for Family Worship; the Form of Process 2008

originally published in 1971 the author was concerned with a nexus of related ideas group spirit morale discipline discrimination stigma how she asks are these connected with leadership both that of the assigned person in authority lecturer or teacher and that of the dominant spirits within the group what is their relation to backwardness and the place of the slow learner in the school morale system answering these and other questions particularly around morale the first part of the book contains a number of case studies and examples of varying degrees of complexity these are intended to act as pointers or guides for the discussion of problems which takes up the second half of the book
