most historically significant games some will be familiar to baseball scholars such as the october afternoon in 1961 when roger maris eclipsed babe ruth s single season home run record or the compelling sixth game of the 1975 world series other fascinating games are less well known the day at the polo grounds in 1921 when a fan named reuben berman filed a lawsuit against the new york giants winning fans the right to keep balls hit into the stands the first televised broadcast of an mlb game in 1939 opening night of the houston astrodome in 1965 when spectators no longer had to be taken out to the ballgame or the spectator less april 2015 orioles white sox game played in an empty stadium in the wake of the baltimore riots each game is listed in chronological order with detailed historical background and a box score
