s nightline to 3.9 million people a finalist in the global ebook awards this is a behind the scenes look at cruise ships in a way that s never been done before some of the stories are shocking some are enlightening but most are just laugh out loud entertaining this tour behind those crew only doors will reveal how romance on a cruise ship is unlike anywhere else the insane things passengers do why alcohol is mandatory at sea how nude cruises compare to christian cruises a first hand account of damage from getting caught in a hurricane jay herring was an american senior officer and one of the few who had physical access to the entire ship he worked with every department and every senior officer including the captain his wife worked in the casino and combined they worked for carnival cruise lines for 10 years and sailed on over 503 cruises if you ve ever wondered what happens below deck on a cruise ship then get ready to laugh through an experience unlike any other chapter 1 how easy is romance on a cruise ship i had been onboard my first ship for five days when i went to the crew bar and met a woman from trinidad and tobago she was a black woman and she was overweight maybe even a little flabby but such a sweetheart i saw her the next night in the crew bar and she looked upset so i went over and sat down what s wrong i asked i just had an argument with the chief purser she said with her caribbean accent that s too bad yes i do not get along with the pursers on this ship very well she said starting to tear up a little i do not have many friends onboard although i liked her i could understand why others might shy away she had slow almost voodoo like mannerisms that bordered on creepy but she was so easy to talk to and like me perfectly content to sit and talk one on one so do you have a girlfriend she asked changing the subject no have you been with anyone on the ship yet nope it s actually been twelve years since i slept with someone come on now it s true i said and then told her why more on that later hmm that s fascinating you know i used to sleep with a skinny white guy from england on my last ship you remind me of him oh yeah he and i had lots of fun and i never left him unsatisfied i may not look it but i m actually a really good lover you don t say i ve been with lots of men in my day i m forty one after all and in my years i ve learned exactly what men like and how to please them and now she took a sip of her drink and now all the men i sleep with are extremely satisfied i had always imagined athletic girls especially flexible athletic girls to be the best lovers but this lady from trinidad had me rethinking that assumption maybe it was just another one of the after effects of abstinence but those voodoo mannerisms were now bordering on sensual would you like to have sex with me she asked taking another sip of her drink we could go to my cabin right now woodrow i couldn t believe how quickly the opportunity had presented itself i might be interested in that might yeah but not right now yeah not just yet okay well you think about it and i ll call you later this week she got up and left me at the table alone with my thoughts my cabin phone rang at 8 00 p m two days later hi it s me she said how are you i m good how are you i responded good good are you ready to do what we talked about the other night she asked wasting no time on idle chit chat honest and fearless approach in addressing subjects that touch on the vulnerable if you were given one more chance to talk with someone who passed away what would you do what would you say when april miller s estranged childhood best friend johnny is killed in a car accident april is confronted with his spirit as she s heading to work one day making the phrase it s never too late all the more poignant here is an insightful look into the great changes in the hospitality and tourism industry in china in recent years the steady growth of the gdp in china the increasing middle income population lifestyle changes of the chinese people and fast infrastructure development speed trains airports highways and seaports linking many mega cities mid level cities and townships have all had a significant effect on the chinese hospitality industry which is booming in china with much more money in their pockets the chinese are spending

more than 60 of their disposable income on food and travel international food and hotel chains have responded by increasing their presence in china and in turn new domestic restaurant and hotel chains have sprung up to compete for the business with chapters by scholars from various universities in china and the united states these issues and more are covered in this new volume readers will gain a true understanding of the current development of chinese hospitality and tourism industry

the cruise ship market is a 30 billion dollar industry and in 2013 it is estimated that it will carry more than 20 million passengers nor is there any sign of a slow down in the seven percent annual growth what keeps the passengers coming in such huge numbers isn't the food the ports or the entertainment they come for the magnificent floating palaces themselves the giants of the sea in this new book the author showcases the most influential cruise ships of the last three decades beginning with royal caribbean's ground breaking sovereign of the seas when she was launched in 1988 she was the largest passenger ship constructed since cunard's queen mary entered service some 48 years earlier and her entry into service sparked a fiercely competitive building boom that continues to this day the reader is taken aboard thirty of the most spectacular ships to reveal how their innovative designs changed the landscape of modern cruising by employing original and archival photographs deck plans cruise programmes as well as the author's intimate knowledge of many of these vessels a unique picture is built up of these great ships and it becomes clear that the true golden age of cruising is not in some distant past but exists right now and that its origins can be traced back to one ship launched in 1988 a truly sumptuous and fascinating book for all those drawn to the world of the modern cruise ship as seen in ships monthly magazine

author's hurricane and flooding video aired on national television by abc's nightline to 3.9 million people a finalist in the global ebook awards this is a behind the scenes look at cruise ships in a way that's never been done before some of the stories are shocking some are enlightening but most are just laugh out loud entertaining this tour behind those crew only doors will reveal how romance on a cruise ship is unlike anywhere else the insane things passengers do why alcohol is mandatory at sea how nude cruises compare to christian cruises a first hand account of damage from getting caught in a hurricane jay herring was an american senior officer and one of the few who had physical access to the entire ship he worked with every department and every senior officer including the captain his wife worked in the casino and combined they worked for carnival cruise lines for 10 years and sailed on over 503 cruises if you've ever wondered what happens below deck on a cruise ship then get ready to laugh through an experience unlike any other chapter 1 how easy is romance on a cruise ship i had been onboard my first ship for five days when i went to the crew bar and met a woman from trinidad and tobago she was a black woman and she was overweight maybe even a little flabby but such a sweetheart i saw her the next night in the crew bar and she looked upset so i went over and sat down what's wrong i asked i just had an argument with the chief purser she said with her caribbean accent that's too bad yes i do not get along with the pursers on this ship very well she said starting to tear up a little i do not have many friends onboard although i liked her i could understand why others might shy away she had slow almost voodoo like mannerisms that bordered on creepy but she was so easy to talk to and like me perfectly content to sit and talk one on one so do you have a girlfriend she asked changing the subject no have you been with anyone on the ship yet nope it's actually been twelve years since i slept with someone come on now it's true i said and then told her why more on that later hmm that's fascinating you know i used to sleep with a skinny white guy from england on my last ship you remind me of him oh yeah he and i had lots of fun and i never left him unsatisfied i may not look it but i'm actually a really good lover you don't say i've been with lots of men in my day i'm forty one after all and in my years i've learned exactly what men like and how to please them and now she took a sip of her drink and now all the men i sleep with are extremely satisfied i had always imagined athletic girls especially flexible athletic girls to be the best lovers but this lady from trinidad had me rethinking that assumption maybe it was just another one of the after effects of abstinence but those voodoo mannerisms were now bordering on sensual would you like to have sex with me she asked taking another sip of her drink we could go to my cabin right now woodrow i couldn't believe how quickly the opportunity had presented itself i might be interested in that might yeah but not right now yeah not just yet okay well you think about it and i'll call you later this week she got up and left me at the table alone with my thoughts my cabin phone rang at 8:00 p.m. two days later hi it's me she said how are you i'm good how are you i responded good good are you ready to do what we talked about the other night she asked wasting no time on idle chit chat
