Intuition Is Your Superpower 2019-04-11 chapter one how my body told me the story i've been trying to forget it was a winter's night filled with sounds as i climbed into bed i heard the rain pitter patter on the streets of san francisco outside it's beginning to look a lot like christmas had been playing on repeat in my head the whole day and looked set to accompany me to sleep when suddenly the booming became too loud too near i woke up and heard footsteps and banging rattling through my paper thin walls it was my neighbor drunk again dammit he was having a party give him another hour i told myself what was causing me a 36 year old woman to be this triggered by a neighbor who had no idea he was setting off all kinds of trauma in me why did i feel so vulnerable and helpless end of preview we're rational creatures well at least that's what we've been told naturally when it comes to making decisions you don't look at how you really feel about it you do what your left brain think is right that is until one day you wake up and realize you're not happy something's terribly wrong even though you did everything right you have everything you need alright but none of what you want what happened don't let what you believe to be the choice of your rational mind suck all happiness out of you sometimes you've got to do a leap of faith and

trust your intuition a tiny bit more it's here to serve you and save you from wasting time on all the wrong people in all the wrong places doing all the wrong moves how do you know when is the right time to trust that little voice at the back of your mind or completely ignore it intuition isn't the opposite of logic facts it's about embracing both the spiritual and rational intuition isn't the voice of your biggest fears or strongest desires and intuition isn't something only a few chosen ones have it's rather a skill that can be taught and mastered that's where intuition is your superpower comes to give you some much needed guidance and clarity in intuition is your superpower you will learn more about what is intuition and what intuition is not clear away all the prejudice and master the art of using your right brain and left brain at the same time how to sharpen your intuition easy methods everyone can use without having to leave modern living behind how to tell the difference between intuition and fear never again let the ego make you doubt your own choices how your intuition talks to you using your body and get access to the body wisdom chart understand your own self better how to use intuition to heal past trauma heal and move on the right path for yourself a special bonus chapter how sharp is your intuition your intuition knows what's best for you even if sometimes it takes a while for your mind to catch up your intuition can take you places only if you trust yourself a bit more and your intuition is your superpower are you ready to harness it

The Art of Intuition 2011-02-03 from the new york times bestselling author of a book of angels a wise and inspiring guide to strengthening one's intuitive abilities are you intuitive do you trust your intuitions in the art of intuition sophy burnham contends that we all have hunches and sudden insights and that we need only awaken to our inborn abilities in order to develop our inner wisdom in this fascinating book burnham tells the stories of individuals who have seen without seeing to illustrate the workings of what she calls our intuitive hearts exploring such topics as how loved ones are able to communicate with one another telepathically to skeptics who deny their power to see into the future this book represents an important spiritual thinker's take on a subject that is vital to us all according to burnham intuition is always right and when you receive messages from spirit be it in the form of a subtle impression or a thunderous bolt from the blue you must always always follow the call

Developing Your Intuition 2011-08-15 leaders often have to make decisions without complete information and those decisions are expected to be not only right but also timely using reflective techniques can help you learn to depend on your intuition for help in making good decisions quickly reflective practices may seem time consuming at the beginning but the time you put in on the front end is well worth the investment it will pay you back both in time and in the quality of the decisions you make
