this book contains the refereed proceedings of the 12th international conference on business process modeling development and support bpmds 2011 and the 16th international conference on exploring modeling methods for systems analysis and design emmsad 2011 held together with the 23rd international conference on advanced information systems engineering caise 2011 in london uk in june 2011 the 22 papers accepted for bpmds were selected from 61 submissions and cover a wide spectrum of issues related to business processes development modeling and support they are grouped into sections on bpmds in practice business process improvement business process flexibility declarative process models variety of modeling paradigms business process modeling and support systems development and interoperability and mobility the 16 papers accepted for emmsad were chosen from 31 submissions and focus on exploring evaluating and enhancing current information modeling methods and methodologies they are grouped in sections on workflow and process modeling extensions requirements analysis and information systems development requirements evolution and information systems evolution data modeling languages and business rules conceptual modeling practice and enterprise architecture this january 2016 issue of international financial statistics ifs is a standard source of statistics on all aspects of international and domestic finance ifs balance of payments statistics direction of trade statistics and government finance statistics are available on cd rom by annual subscription the imf normally determines the currencies that are used in transactions and operations with members each quarter the imf prepares a financial transactions plan in which it indicates the amounts of currencies and sdrs to be used during the relevant period the monthly printed issue of ifs reports current monthly quarterly and annual data while the yearbook reports 12 observations of annual data in ifs exchange rates are expressed in time series of national currency units per sdr and national currency units per us dollar or vice versa may 2015 ifs ifs july 2015 international financial statistics september 2016 this work interweaves indian history educational history family history and child welfare policy to tell the story of indian orphanages within the larger context of the orphan asylum in america it relates the history of these orphanages and the cultural factors that produced and sustained them the imf s principal statistical publication international financial statistics ifs online is the standard source of international statistics on all aspects of international and domestic finance for most countries ifs online reports data on balance of payments international investment position international liquidity monetary and financial statistics exchange rates interest rates prices production government accounts national accounts and population updated monthly this paper discusses that for each quarter the imf prepares a financial transactions plan in which it indicates the amounts of particular currencies and sdrs to be used during the relevant period the imf selects the currencies of members with strong balance of payments and reserve positions it also seeks to promote over time balanced positions in the imf the effects of imf transactions and operations are summarized in the imf s holdings of members currencies and in two other measures reserve position in the imf and total imf credit and loans outstanding the imf s holdings of a member s currency reflect among other things the transactions and operations of the imf in that currency this concept is used in calculating the amounts that a member can draw under tranche policies and in respect to certain of its obligations to the imf the international financial statistics yearbook usually published in september contains available annual data covering 12 years for countries appearing in the monthly issues of ifs the ifs service is the standard source of international financial statistics additional time series in country tables and some additional tables of area and world aggregates are included in the yearbook the benefits for the professional working within a quality culture are manifold but even more important the patient is the final arbiter of quality care therefore patient centred aspects of treatment are focused upon in this manual a quality manual intended for european use has to respect the national regulations and european diversity and therefore needs to be flexible the eqqm has been structured according to the treatment of the individual patient which is what all professionals have in common and which also is the most important target for quality improvement in orthodontic practice the eqqm is primarily designed as a stimulus for the orthodontic professional to assess and improve the quality of orthodontic care a quality improvement system qis provides support for starting and maintaining activities the manual provides tools to systematically assess and develop quality related actions at individual patient treatment level and practice level a systematic and comprehensive description of the treatment process is essential in order to provide a basis for establishing a qis implementing a qis will influence the provision of orthodontic care by demonstrating the potentials for development of the organisational elements of orthodontics planning and integrating systematic activities to monitor and improve treatment at the practice level and the patient related level orthodontic treatment process is the central element in this manual the route taken by an individual patient is described step by step flowcharts describe the orthodontic treatment of the individual patient step by step guidelines indicate what the professional should do at the various steps in order to follow the generally accepted objectives of orthodontics as described in the policy statements indicators are tools to measure the effectiveness and efficiency of treatment the indicators provide the professional with facts about own performance the eqqm provides the orthodontic professional with a model for incorporating quality improvement into daily practice which is based on european orthodontic consensus and current principles of

quality in health care it can be incorporated in the quality initiatives that are already being developed nationally and vice versa this paper discusses the report on international financial statistics ifs supplement on monetary and financial statistics issued in three parts this annual publication contains balance of payments and international investment position data part 1 of this report provides detailed tables on balance of payments statistics for approximately 171 countries and international investment position data for 111 countries part 2 of this quarterly report presents tables of regional and world totals of major balance of payments components part 3 of this ifs report contains descriptions of methodologies compilation practices and data sources used by reporting countries quarterly issues of this publication provide for 158 countries tables with current data or estimates on the value of imports from and exports to their most important trading partners in addition similar summary tables for the world industrial countries and developing countries are included the statistics department of the fund is pleased to make available to subscribers the ifs database through an easy to use online service international financial statistics september 2017 the imf s principal statistical publication international financial statistics ifs online is the standard source of international statistics on all aspects of international and domestic finance for most countries ifs online reports data on balance of payments international investment position international liquidity monetary and financial statistics exchange rates interest rates prices production government accounts national accounts and population updated monthly international financial statistics database browser december 2018 the imf s principal statistical publication international financial statistics ifs online is the standard source of international statistics on all aspects of international and domestic finance for most countries ifs online reports data on balance of payments international investment position international liquidity monetary and financial statistics exchange rates interest rates prices production government accounts national accounts and population updated monthly the imf s principal statistical publication international financial statistics ifs online is the standard source of international statistics on all aspects of international and domestic finance for most countries ifs online reports data on balance of payments international investment position international liquidity monetary and financial statistics exchange rates interest rates prices production government accounts national accounts and population updated monthly this monthly issue of international financial statistics ifs is a standard source of statistics on all aspects of international and domestic finance information is presented in tables for specific countries and in tables for area and world aggregates quarterly issues of this publication provide for 160 countries tables with current data or estimates on the value of imports from and exports to their most important trading partners in addition similar summary tables for the world industrial countries and developing countries are included the yearbook provides for the most recent seven years detailed trade data by country for approximately 184 countries the world and major areas this annual publication provides detailed data on transactions in revenue expense net acquisition of assets and liabilities other economic flows and balances of assets and liabilities of general government and its subsectors the data are compiled according to the framework of the 2001 government finance statistics manual which provides for several summary measures of government fiscal performance in ifs exchange rates are expressed in time series of national currency units per sdr and national currency units per us dollar or vice versa the imf s principal statistical publication international financial statistics ifs online is the standard source of international statistics on all aspects of international and domestic finance for most countries ifs online reports data on balance of payments international investment position international liquidity monetary and financial statistics exchange rates interest rates prices production government accounts national accounts and population updated monthly international financial statistics october 2016 the international financial statistics yearbook usually published in september contains available annual data covering 12 years for countries appearing in the monthly issues of ifs the ifs service is the standard source of international financial statistics additional time series in country tables and some additional tables of area and world aggregates are included in the yearbook the book includes contributions on the latest model based methods for the development of personal and commercial vehicle control devices the main topics treated are application of simulation and model design to development of driver assistance systems physical and database model design for engines motors powertrain undercarriage and the whole vehicle new simulation tools methods and optimization processes applications of simulation in function and software development function and software testing using hil mil and sil simulation application of simulation and optimization in application of control devices automation approaches at all stages of the development process first multi year cumulation covers six years 1965 70 following the earthquake in abruzzo region in april 2009 the european union solidarity fund co financed with the amount of 494 million euro the emergency assistance to the population and the construction of temporary houses and schools the court analysed the relevance and cost of the operations and in particular of the case project it concludes that the eusf regulation did not envisage solutions such as the case project which erected permanent houses in order to provide temporary accommodation to the earthquake affected population furthermore the court found that these houses responded to many immediate needs of the population although with insufficient capacity and that there were shortcomings in the planning and in ensuring economy in the implementation of the project p 4 of cover
