Mindfulness (25th anniversary edition)

2014-10-14

the revolutionary book that showed how mindfulness can be applied to every aspect of our lives the highly innovative findings of social psychologist dr ellen j langer and her team of researchers at harvard introduced a unique concept of mindfulness adapted to contemporary life in the west langer s theory has been applied to a wide number of fields including health business aging social justice and learning there is now a new psychological assessment based on her work called the langer mindfulness scale in her introduction to this 25th anniversary edition dr langer now known as the mother of mindfulness outlines some of these exciting applications and suggests those still to come

Reviving Ophelia 25th Anniversary Edition

2019-06-04

the 25th anniversary edition of the iconic book revised and updated for 21st century adolescent girls and their families in 1994 *Reviving Ophelia* was published and it shone a much needed spotlight on the problems faced by adolescent girls the book became iconic and helped to reframe the national conversation about what author mary pipher called a girl poisoning culture surrounding adolescents fast forward to today and adolescent girls and the parents teachers and counselors who care about them find themselves confronting many of the same challenges pipher wrote about originally as well as new ones specific to today girls still struggle with misogyny sexism and issues of identity and self esteem but they re also more isolated than ever before they don t talk face to face to the people around them including their peers as they used to they re texting or on social media for hours at a time and while girls today are less likely to be in trouble for their drinking or sexual behavior they have a greater chance of becoming depressed anxious or suicidal in this revised and updated *Reviving Ophelia* pipher and her daughter sara pipher gilliam who was a teenager at the time of the book s original publication have incorporated these new issues for a 21st century readership in addition to examining the impact that social media has on adolescent girls lives today pipher and gilliam explore the rising and empowering importance of student activism in girls lives the wider acceptance of diverse communities among young people and the growing disparities between urban and rural rich and poor and how they can affect young girls sense of self worth with a new foreword and afterword and chapters that explore these topics this new edition of *Reviving Ophelia* builds on the relevance of the original as it provides key insights into the challenges and opportunities facing adolescent girls today the approach pipher and gilliam take in the new edition is just what it was in the original a timely readable combination of insightful research and real world examples that illuminate the challenges young women face and the ways to address them this updated *Reviving Ophelia* looks at 21st century adolescent girls through fresh eyes with insights and ideas that will help new generations of readers

Understanding Folk Religion: 25th Anniversary Edition

2024-04-24

this book has served the missiological community for twenty five years as a resource for understanding human spirituality in any context thousands of students have incorporated the principles of this book into ministry around the globe this twenty fifth anniversary edition seeks to enable those who now bring their passion for mission to contemporary contexts affected by globalization climate change and political perspectives unimagined when this book originally appeared every community wherever it is on earth has its share of beliefs and values that manifest themselves in practices that reflect spiritual engagement those engaged in mission need to appreciate how underlying beliefs and values are reflected in handling spiritual power worship and blessing and interaction with others gospel communicators must account for these elements as they seek to make god s intentions known to people who are searching for god the models presented early in the book are essential for establishing what people consider spiritually critical applying these models in any religious environment will enable message bearers to engage with beliefs and practices that promote a gospel presentation that makes sense to that end we commend this book for effective missional engagement

Art Worlds, 25th Anniversary Edition

2023-09-01

this classic sociological examination of art as collective action explores the cooperative network of suppliers performers dealers critics and consumers who along with the artist produce a work of art howard s becker looks at the conventions essential to this operation and prospectively at the extent to which art is shaped by this collective activity the book is thoroughly illustrated and updated with a new dialogue between becker and eminent french sociologist alain pessin about the extended social system in which art is created and with a new preface in which the author talks about his own process in creating this influential work

The Computational Brain, 25th Anniversary Edition

2016-11-04

an anniversary edition of the classic work that influenced a generation of neuroscientists and cognitive neuroscientists before the computational brain was published in 1992 conceptual frameworks for brain function were based on the behavior of single neurons applied globally in the computational brain patricia churchland and terrence sejnowski developed a different conceptual framework based on large populations of neurons they did this by showing that patterns of activities among the units in trained artificial neural network models had properties that resembled those recorded from populations of neurons recorded one at a time it is one of the first books to bring together computational concepts and behavioral data within a neurobiological framework aimed at a broad audience of neuroscientists computer scientists cognitive scientists and philosophers the

computational brain is written for both expert and novice this anniversary edition offers a new preface by the authors that puts the book in the context of current research this approach influenced a generation of researchers even today when neuroscientists can routinely record from hundreds of neurons using optics rather than electricity and the 2013 white house brain initiative heralded a new era in innovative neurotechnologies the main message of the computational brain is still relevant

Mourning and Mitzvah (25th Anniversary Edition)

2017-08-22

fully revised with a new author s preface epilogue and over a dozen new guided exercises anne brener brings us an innovative integration of jewish tradition and modern professional resources in this 25th anniversary edition of a modern classic mourning mitzvah gives spiritual insight and healing wisdom to those who mourn a death to those who would help them and to those who face a loss of any kind mourning mitzvah teaches you the power and strength available to you in the fully experienced mourning process when the temple stood in the ancient city of jerusalem mourners walked through the gates and into the courtyard along a specifically designated mourner s path as they walked they came face to face with all the other members of the community who greeted them with the ancestor of the blessing may god comfort you among the mourners of zion and jerusalem in this way the community embraced those suffering bereavement yet allowed for unique experiences of grief

Diet for a New America 25th Anniversary Edition

2012-10-23

originally published in 1987 diet for a new america awakened the conscience of a nation with its startling examination of the food we buy and eat and the moral economic and medical price we pay for it drawing a clear line connecting america s factory farm system with disease animal cruelty and ecological crises robbins makes perhaps the most eloquent argument for vegetarianism ever published robbins walked away from his family s business the baskin robbins ice cream empire to pursue his dream of promoting a healthy society that practices compassionate stewardship of a balanced ecosystem in diet for a new america he presents both a disturbing portrait of our current system and a vision for the future that will educate and empower readers to change

Liar's Poker (25th Anniversary Edition): Rising Through the Wreckage on Wall Street (25th Anniversary Edition)

2014-10-27

the time was the 1980s the place was wall street the game was called liar s poker before there was flash boys and the big short there was liar s poker a knowing and unnervingly talented debut this insider s account of 1980s wall street excess transformed michael lewis from a disillusioned bond salesman to the best selling literary icon he is today together the three books cover thirty years of endemic global corruption perhaps the defining problem of our age which has never been so hilariously skewered as in liar s poker now in a twenty fifth anniversary edition with a new afterword by the author it was wonderful to be young and working on wall street in the 1980s never before had so many twenty four year olds made so much money in so little time after you learned the trick of it all you had to do was pick up the phone and the money poured in your lap this wickedly funny book endures as the best record we have of those heady frenzied years in it lewis describes his own rake s

progress through a powerful investment bank from an unlikely beginning art history at princeton he rose in two short years from salomon brothers trainee to geek the lowest form of life on the trading floor to big swinging dick the most dangerous beast in the jungle a bond salesman who could turn over millions of dollars worth of doubtful bonds with just one call as he has continued to do for a quarter century michael lewis here shows us how things really worked on wall street in the salomon training program a roomful of aspirants is stunned speechless by the vitriolic profanity of the human piranha out on the trading floor bond traders throw telephones at the heads of underlings and salomon chairmen gutfreund challenges his chief trader to a hand of liar s poker for one million dollars

Lie: Evolution, The (25th Anniversary Edition)

1987-07-01

revised expanded for this special 25th anniversary edition ken ham once again takes the lead in pointing out the looming precipice too many church leaders are rushing towards a denial of the full authority and accuracy of the bible from its very first verse in addition ken powerfully shows how the ideas of evolution and millions of years are driving young people away from the christian faith and provides solid biblical solutions to turn things around published in 1987 this book took a bold stand which became prophetic ken warned the church about the destructive effects of compromise with evolutionary millions of years ideas he warned that compromise in genesis would undermine scriptural authority in the culture and erode confidence in the infallibility of god s word today christians and those considering the christian faith increasingly doubt the bible s reliability compromising genesis has led to a generational loss of an acceptance of the absolute authority of the word of god and leading to an exodus of young people from the church why genesis remains critically important in presenting the gospel this slippery slope of reinterpreting scripture to redefining biblical doctrine discover how your handling of the biblical account of creation impacts your understanding of all of scripture and your worldview the issues are of critical importance when you realize that today we have christians not only confused when it comes to genesis and the age of the earth but now even the reality of hell adam as a real person and christ s own words about creation marriage and more are debated in the pulpits across the world one compromise just leads to another and it has to end if we want to leave a legacy of faith to future generations

The Shoe Box 25th Anniversary Edition

2019-09-03

this 25th anniversary edition of a beloved and bestselling classic about family and tradition includes fifteen pages of bonus material we will make a quilt to help us always remember home anna s mother said it will be like having the family in backhome russia dance around us at night and so it was from a basket of old clothes anna s babushka uncle vladimir s shirt aunt havalah s nightdress and an apron of aunt natasha s become the keeping quilt passed along from mother to daughter for almost a century for four generations the quilt is a sabbath tablecloth a wedding canopy and a blanket that welcomes babies warmly into the world in strongly moving pictures that are as heartwarming as they are real patricia polacco tells the story of her own family and the quilt s further story that remains a symbol of their enduring love and faith this anniversary edition includes fifteen pages of original material describing the quilt s journey and its home at the mazza museum in findley ohio

More Than Honor: 25th Anniversary Edition

2023-09-05

there is one city left and soon that will be gone for the streets of kray are crumbling beneath a wave of exotic and lethal vegetation as it creeps south threatening to wipe out the last traces of humanity in the desperate struggle for survival most krayans live from day to day awaiting salvation from their goddesses or the government only a few believe that the future might lie in their own hands zinina having fled from the citadel determined to discover what secrets are buried beneath it arrahaquen daughter of a member of the all powerful red brigade whose privileged position makes her insurgency all the more dangerous graaf lin channelling the prophecies of the eastcity serpents and racing against time to infiltrate the city s computer networks before they collapse and a man dekray whose sudden appearance accompanies a startling sequence of events set in a world both deadly and

fascinating the 25th anniversary edition of memory seed is a compelling first novel which brought a powerful new voice to science fiction memory seed flowers into a very convincing and entertaining first novel the sense of location is particularly well realised with the wretched overrun streets the lost quarters of the city and the impinging ruin depicted particularly vividly this attractive voice coupled with a complex and fascinating plot and a simple but stylish book design makes memory seed a notable debut novel sfx the exotic horticulture is as inventive as anything in aldiss classic hothouse and parallels with present environmental concerns aren t bludgeoned home palmer is a find time out memory seed is a speculative novel of the distant future that extrapolates many of today s environmental and new age concerns into an enjoyable thriller about human survival against the odds stephen palmer has concocted a beguiling adventure that draws on some of the best sf of recent years for its basic themes yet also adds just as much to the genre s melting pot of ideas starburst
