impossible for men to be understood by the opposite sex but they couldn t be further from the truth men are simple creatures and are easy to understand but the problem is there s no one to show women what men think about that they like until now in this book you re about to discover what every man wants from the woman he s in love with but just can t find the words to tell her most of what is revealed in this book are either things men want but don t know they want or want from their woman but don t know how to tell her the best thing about this book is that it s written from a male perspective so now you have first hand knowledge about what men like from a man here is a preview of what you ll learn why men like it when their woman gazes at them in admiration what you can do to go from just being your man s girlfriend or wife to his best friend as well find out the best time to talk to your man how to build a bond with your man how to understand your man better much much more book description men are supposed to be the ones to handle the big things make the tough decisions and have it all together but there are times when we know that just doesn t happen have you ever wondered what happens to a man during those times of seemingly failed masculinity what happens is something that men will rarely tell you or even admit to experiencing they have been overwhelmed by their emotions yes men are emotional what you will find in the pages of the first secrets book is a collection of men spilling their guts on how they really feel about the important women in their lives specifically and in general from millionaires to average joes these men tell it like it is on how they really feel about women is it good is it bad is it even true you know what to do to find out know this these men say things a man would never say to his woman s face some things are just better left unsaid enjoy tyrese and rev are the unlikeliest of best friends after an unexpected argument rev insisted that marriage is forever tyrese countered that you could bail when the sex went bad the two decided not just to agree to disagree but to team up and open their debate to a larger audience manology will help you weed out the cheaters manipulators and pimps from the good men and it will give you the tools to know if your man is the marrying kind some behaviours can t be changed but it is better to face the truth in these cases licensed psychologist and university professor christopher blazina ph d offers an exploration explanation and clarification into the hidden realm of the male psyche there s an unwritten but well understood code among men when sharing what they really think about women every guy knows about it it s a fraternal affiliation a support group of sorts a virtual clubhouse where no one is allowed inside without a penis and a pair of testicles following three years of research and three decades of professional experience ron stout deftly reveals thirty coveted secrets men think about might tell each other but would never tell women one hundred guys among more than five hundred interviewed share how they feel about women in the bedroom having women as co workers or bosses and having wives or girlfriends who make more money than they do they get down and dirty about dating marriage girls competing in sports opening doors for women who should pay the check at dinner and even about how to shake hands this is the one book that provides women the opportunity to sneak in the back door to hear what men are saying about them entertaining and empowering what men really want is the next best thing to a private appointment with the nation s premier matchmaker the hardest part about dating is understanding the mysterious inner workings of a man s brain how can women know what men are really looking for if men don t tell them they can ask janis with over twenty years of experience as a professional

matchmaker janis spindel has a unique insider s perspective on contemporary dating culture her male clients tell her exactly what they want in a relationship and here janis offers women a step by step plan for winning a man s heart such as it s okay to ask a guy for his number as long as you do it with confidence don t wear your work clothes on a date ever freshen up before meeting a guy pay him a compliment he s human he ll love it janisspindelmatchmaker com one of the most beautiful parts of humanity is its thrills and reproduction of one s family the unity of man and woman through its romantic adventure lured by a most creative image of their ancestors the most beautiful part of humanity is its romantic adventure magnetized by telepathic moods uniting two individuals together for life the most important part of this unity is the mental background of both parties their folkways peer groups and how much common sense has been acquired
