The Resources of Modern Countries Essays Towards an Estimate of the Economic Position of Nations 2017-03-30

before the ussr collapsed ethnic identities were imposed by the state this book analyzes how and why jews decided what being jewish meant to them after the state dissolved and describes the historical evolution of jewish identities surveys of more than 6 000 jews in the early and late 1990s reveal that russian and ukrainian jews have a deep sense of their jewishness but are uncertain what it means they see little connection between judaism and being jewish their attitudes toward judaism intermarriage and jewish nationhood differ dramatically from those of jews elsewhere many think jews can believe in christianity and do not condemn marrying non jews this complicates their connections with other jews resettlement in israel the united states and germany and the rebuilding of public jewish life in russia and ukraine post communist jews especially the young are transforming religious based practices into ethnic traditions and increasingly manifesting their jewishness in public

Nations and Nationalism in World History 2021-08 since the time of adam smith there has been a voluminous literature concerned with the differing wealth of nations and the variation in the nature of economic growth and several schools of thought have held precedence at different times the fundamental mechanisms have been regarded by some as capital accumulation and investment and by others as entrepreneurial ability modern world development first published in 1982 shows that the length of time under consideration materially affects the relative significance assigned to the factors involved similarly the size of an area cannot be ignored through an examination of the major theories of economic growth the role of natural resources the core periphery model of world development environmental change and the concept of human capital professor chisholm has written a stimulating and important book which will appeal to students of economics history and geography
