*In for a Pound* 2018-05-15 a run for the money when clint adams visits his old buddy jack bates in driver s town nevada he s shocked to learn that his friend has gone and invested in a racetrack unfortunately it looks like his thoroughbred dreams are going to die before they get out of the gate it seems a very powerful money man has already staked a claim on building a local racetrack and when it comes to getting rid of the competition all bets are off now the gunsmith finds himself in a race against a whole stable of galloping gunmen but in this race the prize for second place is a pine box and six feet of dirt

**The 158-Pound Marriage** 2007-01-09 irving looks cunningly beyond the eye catching gyrations of the mating dance to the morning after implications the washington post the darker vision and sexual ambiguities of this sensual ironic tale about a ménage a quatre in a new england university town foreshadow those of the world according to garp but this very trim and precise novel is a marked departure from the author s generally robust boisterous style though mr irving s cool eye spares none of his foursome he writes with genuine compassion for the sexual tests and illusions they perpetrate on each other but the sexual intrigue between them demonstrates how even the kind can be ungenerous and even the well intentioned destructive one of the most remarkable things about john irving s first three novels viewed from the vantage of the world according to garp is that they can be read as one extended fictional enterprise the 158 pound marriage is as lean and concentrated as a mine shaft terrence des pres deft hard hitting what irving demonstrates beautifully is that a one to one relationship is more demanding than a free for all the new york times book review

*Life Doesn't Begin 5 Pounds from Now* 2021-05-15 the author of a very hungry girl now offers a thoughtful guide to breaking the cycle of body criticism and creating a powerful healthy self image

*The Perfect Murder* 2011-08-31 publisher description

**Ezra Pound's Cantos** 2006-01-20 when city girl molly bonner arrives in the village of lufferton boney she creates quite a stir with her non country style boots determined manner and alluring looks she sets off a wave of intrigue that ripples through the lives of everyone there from julie the barmaid at the holly bush to antiques dealer dryden fellows and montmorency the cat for molly is a girl on a mission to discover the truth behind lufferton boney s most notorious resident the giant and slightly obscene gnome etched into the face of pound hill and along the way she has some personal demons to settle

*The Lovers of Pound Hill* 2019-03-19 the average human brain weighs three pounds 80 percent of which is water and yet it s capable of outstripping the computational and storage capacities

of the most complex computer but how the mind works remains one of humankind's greatest mysteries with boundless curiosity and enthusiasm shannon moffett a stanford medical student takes us down the halls of neuroscience to the front lines of cutting edge research and medicine to meet some of today's most extraordinary scientists and thinkers all grappling with provocative questions why do we dream how does memory work how do we see what happens when we think each chapter delves into a different aspect of the brain following the experts as they chart new ground moffett takes us to a lab where fmri scans reveal the multitude of stimuli that our brains unconsciously take in inside an operating room where a neurosurgeon removes a bullet from a patient's skull to the lab of christof koch a neuroscientist tracking individual neurons in order to crack the code of consciousness and to a research lab where scientists are investigating the relationship between dreams and waking life she also takes us beyond the scientific world to a zen monk's zendo where she explores the effects of meditation on the brain inside the home of a woman suffering from dissociative identity disorder to a conference with the philosopher daniel dennett who uses illusions magic tricks and logic to challenge our assumptions about the mind and to the home of the late nobel laureate francis crick co discoverer with james watson of dna's double helix structure filled with fascinating case studies and featuring a timeline that tracks the development of the brain from conception to death the three pound enigma is a remarkable exploration of what it means to be human

**The Three-Pound Enigma** 2018-10-23 a fresh look at how three important twentieth century british thinkers viewed capitalism through a moral rather than material lens what's wrong with capitalism answers to that question today focus on material inequality led by economists and conducted in utilitarian terms the critique of capitalism in the twenty first century is primarily concerned with disparities in income and wealth it was not always so the moral economists reconstructs another critical tradition developed across the twentieth century in britain in which material deprivation was less important than moral or spiritual desolation tim rogan focuses on three of the twentieth century's most influential critics of capitalism r h tawney karl polanyi and e p thompson making arguments about the relationships between economics and ethics in modernity their works commanded wide readerships shaped research agendas and influenced public opinion rejecting the social philosophy of laissez faire but fearing authoritarianism these writers sought out forms of social solidarity closer than individualism admitted but freer than collectivism allowed they discovered such solidarities while teaching economics history and literature to workers in the north of england and elsewhere they wrote histories of capitalism to make these solidarities articulate they used makeshift languages of tradition and custom to describe them until thompson patented the idea of the moral economy their program began as a way of theorizing everything economics left out but in challenging utilitarian orthodoxy in economics from the outside they anticipated the work of later innovators inside economics examining the moral cornerstones of a twentieth century critique of capitalism the moral economists explains why this critique fell into disuse and how it might be reformulated for the twenty first century

**The Moral Economists** 2015-09-24 most rockets fans have attended a game at the toyota center have marveled at hakeem olajuwon highlights and remember exactly where they were when houston became clutch city but only real fans have sat with the red rowdies or know about the good luck ritual that preceded some of the team's top draft selections whether you're a die hard from the moses malone era or a more recent supporter of james harden 100 things rockets fans should know do before they die is the ultimate resource guide for true houston hoops fans beat writer jonathan feigen has collected every essential piece of rockets knowledge and trivia as well as must do activities and ranks them all from 1 to 100 providing an entertaining and easy to follow checklist as you progress on your way to fan superstardom

**100 Things Rockets Fans Should Know & Do Before They Die** 2013 this third and final volume of a david moody's critical life of ezra pound presents pound's personal tragedy in a tragic time in this volume we experience the 1939 1945 world war and pound's hubristic involvement in fascist italy's part in it we encounter the grave moral and intellectual error of pound holding the jewish race responsible for the war and his consequent downfall being charged with treason condemned as an anti semite and shut up for twelve years in an institution for the insane further we see pound stripped for life by his own counsel and wife of his civil and human rights pound endured what was inflicted upon him justly and unjustly without complaint and continued his lifetime's effort to promote in and through his cantos and his translations a consciousness of a possible humane and just social order the contradictions run deep and compel as tragedy does a steady and unprejudiced contemplation and an answering depth of comprehension

Ezra Pound: Poet 1969 the best of two worlds all southern style fried food recipes from renowned cooking authority james villas with gorgeous full color photography throughout

*Southern Fried* 2010-11-01 this third and final volume of wilhelm s life of ezra pound commences with pound s departure from paris at the height of his writing career for italy where he hoped to find a quieter life and it takes him to his death in 1972 it tells how he settled in rapallo and soon found mussolini s fascism to be amenable to his own political and economic ideas especially during the dark days of the great depression as italy girded itself for world war ii pound was almost haphazardly drawn into the web and he foolishly agreed to broadcast on radio rome for the duce even after the bombing of pearl harbor when italy fell to the allies pound was put first into a dreadful american detention camp at pisa and then was flown to washington to be tried for treason he escaped conviction on grounds of insanity but he was then remanded to st elizabeths hospital where he languished for twelve years despite the incarcerations pound produced during this time some of his most magnificent poetry including the pisan cantos and numerous excellent translations from the chinese and greek he also heavily influenced an entire generation of poets ranging from robert lowell to allen ginsberg with the help of archibald macleish and robert frost pound was eventually freed in 1958 he returned to italy where he lived for a time with his wife and daughter during the final years of his life he eventually returned to live with his aged lover olga rudge in venice and rapallo he died in venice in 1972 and is buried next to igor stravinsky whose work his own strongly resembles since they both fought for liberation from traditional forms
