Loved by two 2013-07-31

the your family series the first of the your family series books loved by two was created by michelle as a book for their son to show him that he was special and loved and that his family with two mums was just like other families it soon became apparent that this style of book was not easy to come by and that there are many different family structures deserving recognition in the literary world through michelle s desire to represent a variety of family structures and special requests from people who have read some of the already existing books the your family series was born the series is growing all the time so be sure to keep checking the website for new and updated titles and make sure you put in a request if you think there s another title to add to the list each book consists of short poetic phrases describing every day activities in family life they are aimed at pre readers through to self readers but certainly not limited to these children used together the your family series of books can be a great educational tool for showing children that there are many forms of accepted family structures in today s society some of the books so far loved by two for children with two mums two dads for you for children with two dads twins loved by two for twins with two mums because they chose you for adopted children just one is enough for children with one parent
