Super Easy Keyboard for Kids. Learn How to Transpose: Learn to Play 22 Simple Songs in Different Keys 2010-01-01 this book is for kids or adults who are absolute beginners in music we tried to write it as simply as possible we use an easy to play visual aid so any beginner can play music quickly neither kids nor their parents have to read sheet music or have a musical background no previous knowledge is necessary every song has a large and simple letter coded visual along with traditional sheet music the instruction is designed so that children begin with simple circles and gradually advance to reading notes using sheet music we try to make this transition as easy as a game where children advance to higher levels themselves there is a total of 22 songs and 2 options to help children to begin to play right away playing by letter circle play with the musical staff the player can first follow the circles and then repeat with the classic note symbols and staff the helpful letters are always above the notes there are 3 parts in this book they are equal to 3 levels level 1 songs that are played in one octave all songs here appear twice once written with circles and the next time with classic music notes this will help kids remember the staff notes for example mary had a little lamb ver 1 circles mary had a little lamb ver 1 notes level 2 in this part you will find one version with both circles and notes and a more advanced version of the song with notes and musical notation for example hot cross buns version 1 circles hot cross buns version 1 notes hot cross buns version 2 notes here the player will play songs in a different key and learn how to transpose generally the version of the song written with sheet music is a little bit more complex than a letter coded version such versions already have music notations such as rests or beams etc you can find an illustrated explanation of the notation at the end of this book level 3 here the first two songs are versions of the same melody different combinations of notes written with circles and notes this is important so that the beginner can see how the same melody can be played in different keys first of all this book is addressed to newcomers to any keyboard instrument such as piano or synthesizer we offer 22 one hand piano songs also it is a perfect self training guide for children and beginner adults to mastering the challenges of percussion instruments such as xylophone glockenspiel melodica or recorder additionally you find funny riddles with engaging activities to teach musical notes and symbols table of contents level 1 mary had a little lamb ode to joy the whills on the bus jolly old saint nicholas ten little fingers london bridge do you know the muffin man we wish you a merry christmas the first noel brahms lullaby row row your boat itsy bitsy spider silent night oh susannah level 2 hot cross buns are you sleeping old mcdonald level 3 jingle bells la cucaracha yankee doodle happy birthday amazing grace music note values musical puzzles
