Creative Writing and Stylistics, Revised and Expanded Edition

2023-08-24

in this innovative fusion of practice and criticism jeremy scott shows how insights from stylistics and linguistics can enrich the craft of creative writing focusing on crucial methodological issues that confront the practicing writer this book introduces writers to key topics from stylistics provides in depth analysis of a wide range of writing examples and includes practical exercises to help develop creative writing skills thoroughly revised and expanded throughout this updated edition more clearly lays out specialist ideas and technical terms within the field of linguistics and features both greater focus on the creative process and more practical exercises to help writers engage with ideas in their work clear and accessible this invaluable guide will give both students and writers a greater critical awareness of the creative possibilities of language

Beyond and Before, Updated and Expanded Edition

2021-12-02

the original edition of beyond and before extends an understanding of progressive rock by providing a fuller definition of what progressive rock is was and can be called by record collector the most accomplished critical overview yet of progressive rock and one of their 2011 books of the year beyond and before moves away from the limited consensus that prog rock is exclusively english in origin and that it was destroyed by the advent of punk in 1976 instead by tracing its multiple origins and complex transitions it argues for the integration of jazz and folk into progressive rock and the extension of prog in kate bush radiohead porcupine tree and many more this 10 year anniversary revised edition continues to further unpack definitions of progressive rock and includes a brand new chapter focusing on post conceptual trends in the 2010s through to the contemporary moment the new edition discusses the complex creativity of progressive metal and folk in greater depth as well as new fusions of genre that move across global cultures and that rework the extended form and mission of progressive rock including in recent pop concept albums all chapters are revised to keep the process of rethinking progressive rock alive and vibrant as a hybrid open form

The Operation Reinhard Death Camps, Revised and Expanded Edition

2018-07-13

under the code name operation reinhard more than one and a half million jews were murdered between 1942 and 1943 in the concentration camps of belzec sobibor and treblinka located in nazi occupied poland unlike more well known camps which were used both for slave labor and extermination these camps existed purely to murder jews few victims survived to tell their stories and the camps were largely forgotten after they were dismantled in 1943 the operation reinhard death camps bears eloquent witness to this horrific tragedy this newly revised and expanded edition includes new material on the history of the jews under german occupation in poland the execution and timing of operation reinhard information about the ghettos in lublin warsaw krakow radom and galicia and updated numbers of the victims who were murdered during deportations in addition to documenting the horror of the camps yitzhak arad recounts the stories of those courageous enough to struggle against the nazis and their final solution arad s work retrieves the experiences of operation reinhard s victims and survivors from obscurity and exposes a terrible chapter in humanity s history
