textbook for all professional law schools in the commonwealth caribbean and is used at regional universities as a reference book for criminal justice students in addition as the only book that deals specifically with criminal practice and procedure in the regions it has proved a valuable reference tool for legal practitioners judicial officers and police officers blackstone s magistrates court handbook provides an indispensable complete and practical guide for the busy court advocate offering extensive coverage of offenses sentencing procedure and evidential issues covering all the key aspects of magistrates court practice the book places strong emphasis on the areas most likely to arise at short notice requiring an instant response from the advocate as well as on those offenses most frequently experienced at court by a legal aid lawyer such as public order drugs weapons driving criminal damage and sexual offenses blackstone s magistrates court handbook is presented in an easy to use format facilitating quick reading and instant decision making the text is broken down with frequent headings and bullet points and there are a number of tables and flow charts particularly on complex sentencing topics as well as a clear system of icons to aid comprehension and speedy navigation led by professor david ormerod and david perry qc our team of authors has been hand picked to ensure that you can trust our unique combination of authority and practicality with a simultaneous supplement containing essential materials you can rely on blackstone s criminal practice to be your constant companion through every courtroom appearance this new edition has been meticulously revised to provide extensive coverage of all new legislation case law and practice directions with free quarterly updates

and monthly web updates you can trust blackstone s criminal practice to provide reassurance on all the latest developments in criminal law and procedure archbold is the most regularly cited publication in the criminal courts today and an indispensable companion for all those involved in the administration of criminal law it provides all the material needed when preparing for and during a trial the only book to analyse the principles of eu law in light of their impact on domestic criminal practice this definitive new work is an essential tool for all criminal practitioners an expert team from a leading chambers cover every aspect of criminal practice alongside detailed explanation of relevant eu legislation directives and case law criminal litigation practice and procedure provides a thorough and practical guide to all areas of law and practice with which the aspiring criminal litigator needs to be familiar written with the lpc in mind this book is suitable for both the core module of criminal litigation and the advanced criminal practice option case study documents are used to demonstrate both common documents and skills required of a criminal practitioner e g bail application plea in mitigation and in addition examples are used throughout the text to illustrate points of complexity completed copies of the most important court forms are included where appropriate and invaluable checklists and flowcharts can be found at the end of each chapter to assess understanding of the topics covered statutory authorities and case law have been updated to take account of recent developments in the law in particular the changes to the law as a result of the coroners and justice act 2009 2010 criminal procedure rules and the sra code of conduct 2011 are considered the college of law is the largest provider of professional

legal training programs in the southern hemisphere developed over a period of more than 30 years the college of law practice papers provide the fundamental instructional material for the college s professional program the practice papers form a significant collection of detailed procedural guides to key areas of legal practice and provide a valuable reference for all students undertaking practical legal training including those undertaking articles of clerkship as well as for newly admitted solicitors and practitioners who desire to refresh their knowledge in the foundation areas of practice each of the three volumes are available individually or can be purchased as a set table of contents professional conduct and discipline the practitioner s relationship with the client the practitioner s relationship with the court the practitioner s relationship with the public and the profession the principles of advocacy court etiquette procedure and protocol examination in chief and exhibits cross examination and re examination evidence civil litigation taking instructions and advising case preparation pleadings and particulars filing and service of court documents affidavits statutory declarations and witness statements briefing counsel conduct of proceedings in the supreme and district courts money claims practice and procedure in the federal courts an overview of criminal law practice bail applications in the magistrates court conducting guilty pleas in the magistrates court this case book contains essential cases on topics spanning criminal practice and procedure criminal advocates as well as judicial officers and students will find foundational cases as well as some of the latest authorities on areas such as autrefois juries sentencing summary procedure bail and criminal jurisdiction it is hoped that

this book will to some extent alleviate the tedium entailed by serious legal research through its lucid and concise identification and examination of the legal principles illustrated by the various cases although the focus of the book is commonwealth caribbean jurisprudence cases dealt with by the courts of the united kingdom are also analysed led by david ormerod qc hon and david perry qc our team of authors has been hand picked to ensure that you can trust our unique combination of authority and practicality with a simultaneous supplement containing essential materials you can rely on blackstone s criminal practice to be your constant companion through every courtroom appearance this new edition has been meticulously revised to provide extensive coverage of all new legislation case law and practice directions with supplements free quarterly updates and monthly web updates you can trust blackstone s criminal practice to provide reassurance on all the latest developments in criminal law and procedure this book tackles one of the most contentious aspects of international criminal law the modes of liability at the heart of the discussion is the quest for balance between the accused s individual contribution and the collective nature of mass offending the principle of legality demands that there exists a well defined link between the crime and the person charged with it this is so even in the context of international offending which often implies several degrees of separation between the direct perpetrator and the person who authorises the atrocity the challenge is to construct that link without jeopardising the interests of justice this monograph provides the first comprehensive treatment of complicity within the discipline and beyond extensive analysis of the pertinent statutes and

jurisprudence reveals gaps in interpreting accessorial liability simultaneously the study of complicity becomes a test for the general methods and purposes of international criminal law the book exposes problems with the sources of law and demonstrates the absence of clearly defined sentencing and policy rationales which are crucial tools in structuring judicial discretion awarded the paul guggenheim prize in international law 2017 this document contains the federal rules of criminal procedure as well as forms as amended to december 1 2011 the rules have been promulgated and amended by the united states supreme court pursuant to law and further amended by acts of congress this document has been prepared by the committee in response to the need for an official up to date document containing the latest amendments to the rules for the convenience of the user where a rule has been amended a reference to the date the amendment was promulgated and the date the amendment became effective follows the text of the rule the committee on rules of practice and procedure and the advisory committee on the federal rules of criminal procedure judicial conference of the united states prepared notes explaining the purpose and intent of the amendments to the rules the committee notes may be found in the appendix to title 18 united states code following the particular rule to which they relate archbold criminal pleading evidence and practice 2011 shortlisted for dsba law book of the year award 2020 evidence in criminal trials is the first irish textbook devoted exclusively to the subject of criminal evidence this popular title provides comprehensive detailed coverage of law and practice on the admissibility of evidence the presentation of evidence in court and the pre

trial gathering and disclosure of evidence the work combines analysis of traditional evidentiary doctrine with discussion of its application in practice and takes account of policy development and reform the subject of evidence is discussed in the broader context of fundamental rights protection under the constitution the echr and eu law this updated and extended second edition captures the many significant changes in the law of criminal evidence in recent years the role of vulnerable witnesses in court proceedings is explored in new chapters on children and vulnerable adults complainants in sexual offence trials and victims of crime the landmark supreme court decision in dpp v jc is analysed in an extended chapter on unlawfully obtained evidence and important case law developments relating to confessions and the right to silence are discussed in a detailed chapter on pre trial interviews with suspects other chapters explore the case law of the supreme court and court of appeal on testimony corroboration technological evidence privilege and disclosure the law reform commission s recommendations in its 2016 report on consolidation and reform of aspects of the law of evidence are considered in the book s discussion of hearsay and expert evidence this book will appeal to individuals working and studying in the areas of criminal law and evidence it will be essential reading for legal practitioners academics and law students and it will be of interest to others engaged with criminal justice and the court system a comparative and collaborative study of the foundational principles and concepts that underpin different domestic systems of criminal law
