*Joining Jesus on His Mission* 2016-08-28 there has been much talk and discussion in these last days about what all religions have in common and whether this common ground can be exploited to make a single religion indeed there have been conferences to discuss how this can be achieved to bring christianity under a single umbrella however in order to do this everything must be removed from christianity that is offensive to other religions therefore it is more important than ever to reiterate what is unique to our christian beliefs and above all else that jesus christ is our lord and saviour there is no other name in heaven by which we may be saved from the coming anger of god we have received the spirit of god so that we may know what god has freely given to us christ crucified is a stumbling block to the jews and foolishness to all those who have not entered the kingdom of god in this book i have outlined and discussed the uniqueness of christ and expounded on god s purposes for his kingdom on the earth in the last days of this age and on his kingdom in the world to come i have also shown who we are in christ and have reminded us that we are god s treasured possession and all that means we are all on a journey with god and i trust that this book will aid you in finding your place on that journey i hope this book will be a great blessing to all who read it

Uncovering the Truth of Jesus and His Mission 1998-01-01 for the past twenty years i have thought and developed an interest in what i call the mystery mission of salvation in christ jesus this curiosity has intensified over the past three years and i am compelled by the divine spirit of christ jesus to put my belief and faith in ink on paper apostle paul the greatest theologian

stated yet when i preach the gospel i cannot boast for i am compelled to preach 1 cor 9 16 like paul i am writing this book not of my own choice but of necessity i believe i have been entrusted with this assignment to unveil the mystery mission of salvation in christ jesus paul stated for christ s love compels us because we are convinced that one died for all and therefore all died 2 cor 5 14 the love shown by christ jesus gal 2 20 rom 8 35 38 is the model of authentic existence and compels believers like paul who thought that he had no choice but to imitate the selflessness of christ jesus to preach the gospel of salvation in christ jesus as a believer in the savior our lord and god christ jesus i am obliged to write this book about the son of god who wrought salvation to the universe through his birth on the first christmas day his mission on earth for about three years his cruel death on the cross on the first good friday and his ultimate resurrection on the first easter sunday morning my purpose in this book is not to boast on human intelligence or ability on the contrary it is to show the love of christ jesus who condescended and descended humbly from his divine heavenly city to this sinful earthly city in order to bring eternal salvation to all those who believe in him i do hope and pray ardently and fervently that this book might help just one person to come to know salvation in christ jesus for the first time or open the spiritual eye and mind of a believer to have a deeper and more holy understanding of the amazing grace and love of christ jesus who brings salvation to humanity by his wonderful and mysterious mission of salvation which is unveiled in this book that person in either situation could be you

Jesus the Christ; A Study of the Messiah and His Mission According to Holy Scriptures Both Ancient and Modern - Scholar's Choice Edition 2022-11-09 the scope of the subject presented in this work is expressed on the title page it will be readily seen that the author has departed from the course usually followed by writers on the life of jesus christ which course as a rule begins with the birth of mary s babe and ends with the ascension of the slain and risen lord from olivet the treatment embodied in these pages in addition to the narrative of the lord s life in the flesh comprizes the antemortal existence and activities of the world s redeemer the revelations and personal manifestations of the glorified and exalted son of god during the apostolic period of old and in modern times the assured nearness of the lord s second advent and predicted events beyond all so far as the holy scriptures make plain it is particularly congruous and appropriate that the church of jesus christ of latter day saints the only church that affirms authority based on specific revelation and commission to use the lord s holy name as a distinctive designation should set forth her doctrines concerning the messiah and his mission the author of this volume entered upon his welcome service under request and appointment from the presiding authorities of the church and the completed work has been read to and is approved by the first presidency and the council of the twelve it presents however the writer s personal belief and profoundest conviction as to the truth of pg iv what he has written the book is published by the church of jesus christ of latter day saints a characteristic feature of the work is the guidance afforded by modern scriptures and the explication of the holy writ of olden times in the light of present day revelation which as a powerful and well directed beam illumines many dark passages of ancient construction

**Jesus the Christ** 2017-08-26 james e talmage was one of the twelve apostles of the mormon church and he wrote this voluminous work about jesus and the bible in the early 20th century

The Mystery Mission of Salvation in Christ Jesus 1880 generally the only knowledge most people know about the life of jesus christ is taken from the new testament most specifically the four gospels it is evident from comparing matthew mark luke and john that their writings are simply snippets of the savior s life not only do they differ in what occurrences they record as well as in the accompanying details but they obviously omit the majority of his day to day activities there are numerous other sources that provide us with bits of more vital information for instance non christian contemporary historians such as tacitus ignatius and josephus as well as both christian and non christian authors of the next few generations such as tertullian eusebius pliny the younger jerome origen and many others offer additional insights and details concerning the savior s journey into mortality the same is true of the various christian splinter groups of these times including the essenes the gnostics the ebonites the docetists

as well as the followers of paul and john the baptist each offering additional various and sometimes contradictory information finally recent discoveries have yet added more perspectives and so we have apocryphal scripture and pseudepigrapha scripture from the first century a d through the eighth century a d studying sorting and evaluating all this material was both rewarding and frustrating this volume is the result of my labors

*Jesus Christ: his life and his work* 2014-03 reprint of the original first published in 1871
