bill blocks trojans 1972 an immortal team of mortal men captures the story of 47 usc football players beyond their glory days on campus and into their everyday lives as men the 1972 trojans are considered one of the greatest teams in the history of college football they defeated ohio state 42 17 in the 1973 rose bowl to complete an undefeated 12 0 season and were crowned national champions each chapter is a mini biography told through the eyes of each player each and every player from that 72 team whether as powerful as fullback sam bam cunningham as intellectually gifted as defensive back marvin cobb or as massive as offensive lineman pete adams eventually became one of us a mortal youll find humor youll find sorrow and youll find football most of all youll find lessons about being mortal mortal engines launched philip reeve s brilliantly imagined creation the world of the traction era where mobile cities fight for survival in a post apocalyptic future now in time for the film debut the critically acclaimed mortal engines quartet is repackaged in a boxset with fantastic and eye catching covers featuring new artwork jack munro is a journalist and was embedded with the black watch royal regiment in afghanistan during a skirmish jack is seriously injured when he wakes from his coma jack is embarrassed to discover he has become a national hero not comfortable with the adulation he disappears from the limelight and retreats to balhousie castle in scotland headquarters of the black watch royal regiment jack discovers a chest of old documents that span 500 years the documents tell of the story behind the founding of the united states international banking system and much more these are secrets that shouldn t be told explosive controversial and fodder for dark forces jack is visited by a spirit entity recruited to be their mortal messenger in turn jack finds himself living between both worlds exploring history s deceptions secrets and lies however exposing the truth is dangerous work and dark forces are against him both worlds are rapidly changing and there is much work to be done we don t just look at buildings their facades beautiful or ugly conceal the spaces we inhabit we are born work love and die in architecture we buy and sell it rent it and squat in it create and destroy it these aspects of buildings economic erotic political and psychological are crucial if we are to understand architecture properly and because architecture moulds us just as much as we mould it understanding architecture helps us to understand our lives and our world through ten great buildings across the world tom wilkinson reveals the powerful and intimate relationship between society and architecture and asks can architecture change our lives for the
