*School of Charm* 2014-02-18 As the ballrooms of 1800s America glitter, romance is afoot in Boston and Rio de Janeiro, 1851. An awkward misfit in an accomplished family, Isadora Peabody yearns to escape her life as a wallflower in Boston society. Fate intervenes when she learns that a ship bound for Rio de Janeiro is in need of an interpreter. A pursuit she very much enjoys, the only problem is the surly and handsome captain is adamantly opposed to a woman taking the role. Sea captain Ryan Calhoun used to have a good family name, but he'd purposely walked away from everything it afforded him, driven by his quest to right an old wrong. When he finds himself falling for the meek young woman who comes aboard his ship, he's determined to stay away from her, if only to keep her out of his secretive, dangerous plans. As the tides of attraction flow between them, Ryan and Isadora must risk it all for love. For a true lady must learn to speak her mind, and Isadora is ready to put her newfound charms to the test.

*The Charm School* 2011-09-01 Imagine yourself entering a room and effortlessly attracting people to you as if you were a magnet. Imagine having meaningful interactions that inspire and motivate people by making them feel understood and respected. Envision yourself in a position where you can influence people through true connection and persuasion rather than manipulation or coercion. This is the power of charm: the ability to subtly but surely win over people's hearts and minds. But how does one develop charisma, and what is charm anyway? Is it something that only a select few are born with, or is it something that anyone is capable of acquiring with practice? In the next few pages, we shall go into these inquiries.
