the congressional record is the official record of the proceedings and debates of the united states congress it is published daily when congress is in session the congressional record began publication in 1873 debates for sessions prior to 1873 are recorded in the debates and proceedings in the congress of the united states 1789 1824 the register of debates in congress 1824 1837 and the congressional globe 1833 1873

Federal Register

1954

global issues such as climate change and the aftermath of the 2008 financial crisis have spurred interest in thinking about the history of the modern economy that goes beyond disciplinary economic history this book contributes to the cultural history of capitalism and its different regimes of productivity by pursuing the perspective of body history and by providing a global scope throughout modernity the body served as a fundamental albeit essentially changing linchpin for both the organization of economic practices and for intellectual reflections on the economy in particular it was the pivotal interface to render notions of economic productivity intelligible the book explores this central thesis in a range of case studies drawing on source material from west africa europe mexico and the us framed by a theoretically informed introduction which also provides a conceptual history of notions of productivity and by an afterword that brings the approaches explored in this volume into dialogue with scholarship inspired by marx and foucault the individual chapters tackle the concept of productivity from a wide array of angles each illuminating the promises and problems of a cultural take on the history of economic productivity
