many golfers would agree with andy brumer that there is poetry in the game of golf and brumer is not the first to insist that there is more to the game than the superstars swing gurus and high tech equipment that dominate talk of the game today in this series of essays brumer one of the most insightful writers on golf considers the game from unexpected and often surprising angles at once contemplative and compelling the poetics of golf explores the links between golf and life by way of art and literature philosophy and psychology in portraits of various players including tiger woods jack nicklaus annika sorenstam and arnold palmer among others brumer teases out the truths that their games can tell us not just about golf but about character and courage and he also offers an unconventional yet enlightening look at the intricacies of the golf swing course architecture and golfing equipment finally his book reveals to us in its content and also in its wide ranging often lyrical style that golf is by no means only a game

# The Poetics of Golf 2007-01-01

an extended reflection on the pleasures and wisdom of golf golf beats us all will satisfy the philosopher lurking in every avid golfer and make the golfer smarter and wiser about himself and his game author joe amato has long been fascinated by the myriad of pleasures offered by golf and like any player he remains intrigued by the fact that golfers find such pleasure in a game that causes so much pain wastes so much time and whose outcome is of utter insignificance he offers an intelligent and searching conversation that invites readers to think about their relation to a game that makes them angels and fools

#### **Register of the University of California** 1955

a charmingly illustrated history of midcentury instructional records and their untold contribution to the american narrative of self improvement aspiration and success for the midcentury americans who wished to better their golf game through hypnosis teach their parakeet to talk or achieve sexual harmony in their marriage the answers lay no further than the record player in designed for success janet borgerson and jonathan schroeder shed light on these endearingly earnest albums that contributed to a powerful american vision of personal success rescued from charity shops record store cast off bins or forgotten boxes in attics and basements these educational records reveal the american consumers rich but sometimes surprising relationship to advertising self help identity construction and even aspects of transcendentalist thought relegated to obscurity and novelty instructional records such as secrets of successful varmint calling you be a disc jockey and how to ski a living room guide for beginners offer distinct insights into midcentury media production and consumption tracing the history of instructional records from the inception of the recording industry to the height of their popularity borgerson and schroeder offer close readings of the abundant topics covered by designed for success records complemented by over a hundred full color illustrations designed for success is a wonderfully nostalgic tour that showcases the essential role these vinyl records played as an unappreciated precursor to contemporary do it yourself culture and modern conceptions of self improvement
