Mau-Mau Warrior 2013-02-20

The mau mau uprising 1952 60 remains a controversial conflict waged by warriors about whom many myths have been formed but little truth has been written condemned by history as a brutal rag tag force engaged in oath taking cannibalism and witchcraft the military activities of the mau mau have long been overlooked although their skill organization and unique motivation forced the british government to undertake the longest airlift in military history and to deploy extensive force at a cost of almost 60 million before it could claim victory this book reveals the real men and women behind the mau mau the truth behind the oaths that bound them together and how they became a powerful force paving the way for kenya s independence
