## **just bought a denon pma 2000r did i do the right thing *Jan 24 2024***

i have the denon pma 2000ivr just the newer version i don t have the remote but don t have any problems with functionality without it as was said the a and b speakers outputs are connected in parallel so there isn t even a switch for switching

## **denon pma 2000r integrated amplifiers audio review *Dec 23 2023***

at over 50 pounds and just 80wpc the denon pma 2000ivr sounds hugely more powerful than many wimp audiophile integrated s that cost considerably more and this integrated isn t just about power as it handles the subtleties with finesse

## **denon pma 2000r integrated amplifiers audio review *Nov 22 2023***

i m finding that after 250 hours of burn in that it is still improving and definitely opening up the sound of this amp is awesome the music is extremely airy with excellent detail and clarity i like the pma 2000r better than my bryston b60 integrated amp
