consistently honest accountable fair and grateful whether you re looking to bring new people into your organization or seeking a job or promotion yourself the good ones will help you appreciate in practical terms why character is the missing link to excellence over the last half century college textbooks on management have taught the importance of valuing the human assets of a business and they have also focused on how to effectively and appropriately manage those assets and yet we look around and rarely see it practiced in activate human capital author richard n morrison outlines the eight people focused principles of management and he explains them in terms of the values that motivate people to want to do the work given to them and even more he shows how these values will actually get employees to initiate their work because they will see how it contributes to the overall purpose of the business each principle such as giving people a purpose communicating widely accommodating change creating a culture of worth and hope and rewarding performance to name a few is linked to a component of human fulfillment and then through research personal experience and shared stories morrison discusses how to activate each principle and demonstrates what it should look like in the workplace eight simple principles can help enhance all business relationships and improve efficiency productivity and profitability if only managers are willing to change people focused management has been done is being done and will be done increasingly more often as more business leaders comprehend the potential in this empowering form of leadership when employees feel valued respected encouraged and fulfilled they will work harder and be more invested in their work and in the success of the business in a time when anxiety and brokenness have become hallmarks of so many institutions this small volume abounds with wisdom and insight for those who seek a better way every page offers valuable perspectives on how leaders in the church and beyond can both value and benefit from the too often underappreciated gifts of our most valuable resource the people with whom we serve while the principles have been distilled into seven people centric insights morrison and fidlin offer a path to transform entire human ecologies toward hope worth and productivity for many the language of servant leadership has become just another shibboleth in these pages are insights that liberate anew the understanding that in all our ministry and service all may gain in self worth and their true value to the community philip amerson president emeritus garrett evangelical theological seminary richard morrison and billie fidlin have proved that combining christian ethics with modern business practice is not only possible but is a winning combination for the church building upon their considerable experience in both secular and religious organizations they have shown us a management
