a por la estupidez x 1 ha sido mi terapia y mi capricho un conjunto de relatos en prosa y poesía bañados en un mar autobiográfico y en el crecimiento personal son historias mías unas prestadas y otras inventadas en las que fluyen los temas más mundanos y necesarios de los que podamos hablar desgranando las emociones y con ellas en cada capítulo a mí este libro es un volcán emocional y el resultado de mi obsesión por tratar las emociones con la normalidad que se merecen es un viaje introspectivo hacia los sentimientos la crítica social y humana y las emociones hablando sobre el amor los miedos la muerte la vida la amistad el sexo la depresión la ansiedad las inseguridades el mar la música o nuestras queridas amigas las expectativas entre otros no es un cuento de hadas ni una historia de ficción ni un relato con final feliz a por la estupidez x 1 es leer sobre la vida misma y todo lo que nos abrumba desde un lenguaje cotidiano y sencillo invitándonos a reflexionar cuestionar y a empatizar sin palabras rebuscadas o maquilladas que pretendan no aparentar decir lo que queremos decir en realidad cada capítulo es una historia detrás de cada historia un tatuaje y en el fondo de todo las personas y nuestro caos existencial como foco central es simplemente adentrarse en nuestro interior unas veces idolatrado y otras olvidado
