## **Nursing Interventions for Infants, Children, and Families 2001**

the puppet creates delight and fear it may evoke the innocent play of childhood or become a tool of ritual magic able to negotiate with ghosts and gods puppets can be creepy things secretive inanimate while also full of spirit alive with gesture and voice in this eloquent book kenneth gross contemplates the fascination of these unsettling

objects objects that are also actors and images of life the poetry of the puppet is central here whether in its blunt grotesquery or symbolic simplicity and always in its talent for metamorphosis on a meditative journey to seek the idiosyncratic shapes of puppets on stage gross looks at the anarchic punch and judy show the sacred shadow theater of bali and experimental theaters in europe and the united states where puppets enact everything from baroque opera and shakespearean tragedy to beckettian farce throughout he interweaves accounts of the myriad faces of the puppet in literature collodi's cruel wooden pinocchio puppetlike characters in kafka and dickens rilke's puppet angels the dark puppeteering of philip roth's micky sabbath as well as in the work of artists joseph cornell and paul klee the puppet emerges here as a hungry creature seducer and destroyer demon and clown it is a test of our experience of things of the human and inhuman a book about reseeing what we know or what we think we know puppet evokes the startling power of puppets as mirrors of the uncanny in life and art

## **God's Good News Through Puppets 2005-06**

this first book length exploration of geographical engagement with puppets examines constructions of puppets in contemporary popular british culture and considers the various ways in which puppets and humans not just puppeteers are unified in diverse cultural media organised around themes of metaphorical performative and transformational puppets the work draws out how puppets are used in diverse cultural media fiction music television film and theatre how they are constructed through those uses and to what effect both puppets as generalised forms bodily relational or ideational and specific puppet characters mr punch pinocchio are explored building upon existing associations between puppets and the grotesque the volume extends understandings of the puppet by elaborating borderscaping strategies through which puppets are constructed and an alternative perspective on the uncanniness of puppets geographically it unearths distinct puppet spatialities identifies the socially critical potential of puppets rescues geo bio politics at the interpersonal level and highlights the potential of puppets within posthuman debates about the status of the human this work will be of interest to anyone fascinated by puppets as well as those in fields such as geography anthropology cultural and media studies and those interested in the grotesque posthumanism and or non representational scholarship

## **10-minute Puppets 2010**

the heartaches and drama of nazi persecution are brought to life in this jewish family saga its author brigid grauman has drawn on the intimate memoirs and diaries of no less than seven of her forebears to recreate a vivid picture of that darkest of eras brigid's book combines the searing experiences of her family with her own compassion and affection her family members spring to life and step from the page uncle otto's puppet theatre takes the reader through two centuries of jewish life spanning peasant years in rural moravia to headlong flight from central europe and hard earned new lives in america the humanity and gifted storytelling of this book emulates the emotional impact of the diary of anne frank and the hare with amber eyes and is a tribute to the courage of the author's own family

## **Puppets, Language and Learning 2009-10-31**

as the world becomes increasingly more interconnected and globalized increasingly more families are seeking early 0-6 years foreign and second language education prompting educators and teachers to seek out age appropriate tools which offer an innovative approach to early language learning ell the multilingual and intercultural puppet tries to answer two questions how can we introduce children to foreign languages at an early age in a natural and also naturally playful way and with which approach this book presents a documented reflection that is rooted in concrete experiences which the authors have accumulated over the past twenty years of field work providing readers with many innovative yet practical and operational examples of how puppets have been used to facilitate ell puppets easily integrated into children's natural play environment represent a pedagogical tool par excellence for the teaching learning of foreign languages using puppets educators can create stimulating and enriching learning contexts engaging children and moving them towards educational learning objectives very naturally and through active and interactive play moreover puppets being puppets can speak various languages experience various life events and share these with young learners be they homogeneous heterogeneous international transcultural and or intercultural groups indeed the language of puppets is naturally multilingual and intercultural

## **The Complete Book of Puppetry 2000-01-01**

the first comparative study in english of all aspects of puppetry in nineteenth century europe

## **Puppet 2011-09-01**

with the advancement of cybernetics avatars animation and virtual reality a thorough understanding of how the puppet metaphor originates from specific theatrical practices and media is especially relevant today this book identifies and interprets the aesthetic and cultural significance of the different traditions of the italian puppet theater in the broader italian culture and beyond grounded in the often overlooked history of the evolution of several italian puppetry traditions the central and northern italian stringed marionettes the sicilian pupi the glove puppets of the po valley and the neapolitan pulcinella this study examines a broad spectrum of visual cinematic literary and digital texts representative of the functions and themes of the puppet a systematic analysis of the meanings ascribed to the idea and image of the puppet provides a unique vantage point to observe the

perseverance and transformation of its deeper associations linking premodern modern and contemporary contexts
