film for the major broadcast networks the heyday of made for tv movies was 20th century programming like the abc movie of the week and nbc sunday night at the movies but with changing economic times and the race for ratings the networks gradually dropped made for tv movies while basic cable embraced the format especially the hallmark channel with its numerous christmas themed movies and the syfy channel with its array of shark attack movies and other things that go bump in the night from the waning days of the broadcast networks to the influx of basic cable tv movies this encyclopedia covers 1 370 films produced during the period 2000 2020 for each film entry the reader is presented with an informative storyline cast and character lists technical credits producer director writer air dates and networks it covers the networks abc cbs fox ion and nbc and such basic cable channels as abc family disney fox family freeform hallmark insp lifetime nickelodeon syfy tbs and tnt there is also an appendix of announced but never produced tv movies and a performer s index in this six ebook bind up of the complete on the runway series from bestselling author melody carlson sisters paige and erin forrester find themselves traveling the world for their fashion tv show but their very different personalities often make each episode an adventure in itself contains premiere paige has always been outgoing and fashion obsessed while her sister erin would rather stay behind a camera in comfy jeans and a tee but after paige s fashion helps find their way onto the local news the sisters passions collide when they are offered their own fashion tv show it soon becomes clear this unlikely partnership has plenty of room for success and even more for failure catwalk the high ratings of the sisters on the runway show lands them a ticket to new york fashion week paige is determined to get the attention of top designers but her newfound fame threatens to go to her head meanwhile erin wants to help promote the work of eco designers but struggles to be taken seriously rendezvous paige and erin are ready to take their show on location to paris unfortunately it doesn t take long for their intentions to get lost in translation an unplanned week of filming at a model s family estate leads to romance jealousy and surprises spotlight when paige and erin head to london both get a reception to remember bombarded by crazed fans and the interrogations of the infamous british paparazzi the sisters know that their lives have changed big time star treatment has its perks but before long both girls are stretched to a breaking point glamour paige s engagement to designer dylan marceau shocks the fashion world although paige appears to be happy erin wonders if it s really just a desire for attention and publicity at the same time erin is feeling pressure from her ex blake to take their friendship to a romantic level as the sisters prepare to film in the bahamas they also must deal with growing turmoil on set ciao a trip to milan might be the break both paige and erin need but things only seem to get more complicated once they land in italy paige s on again off again romance with dylan combined with a new director for on the runway leaves erin with more work on the show just when erin can t take any more she discovers a secret that could crush paige and doing the right thing could not only hurt her sister it might end their show for good a genealogical compilation of the descendants of henry margareth crook and their seven children the couple was married circa 1812 in south carolina and by 1828 could be found in rankin county mississippi many of the descendants are traced to the present including biographies and photographs when available it was only meant to be a little white lie inventing a fake fiancé was an act of desperation for zoe montgomery a knee jerk response to her horrifying high school reunion but now that she s convinced london s most unattainable bachelor to play the part her little white lie is spiraling out of control because everyone wants a piece of tycoon dan forrester including zoe especially once she s seen the view from his bedroom this series in operations research management science

might be a fake engagement but she's certainly not faking anything else now the reunion is over and zoe and dan have convinced the world they're meant to be but convincing each other a whole different challenge jody baxter dan keluarganya hidup di tanah pertanian terpencil di florida pada akhir tahun 1800 an sebagai anak tunggal jody sangat ingin mempunyai teman bermain ketika menemukan seekor anak rusa yatim piatu di dalam hutan jody ingin memeliharanya ayahnya setuju meskipun anak rusa itu mesti diberi jatah makanan dan susu yang sangat berharga bagi mereka kasih sayang jody kepada flag si anak rusa sangat besar dan ketika flag semakin dewasa mereka menjadi sahabat yang tak terpisahkan namun kemudian keluarga baxter mengalami masalah berat ketika ayah jody terluka parah dan jody mesti menggantikannya bekerja di ladang pada saat saat itulah jody mesti menghadapi kenyataan dan mengambil keputusan yang sangat berat dalam hidupnya barbara stanwyck 1907 1990 rose from the ranks of chorus girl to become one of hollywood's most talented leading women and america's highest paid woman in the mid 1940s shuttled among foster homes as a child she took a number of low wage jobs while she determinedly made the connections that landed her in successful broadway productions stanwyck then acted in a stream of high quality films from the 1930s through the 1950s directors such as cecil b demille fritz lang and frank capra treasured her particular magic a four time academy award nominee winner of three emmys and a golden globe she was honored with a lifetime achievement award by the academy dan callahan considers both stanwyck's life and her art exploring her seminal collaborations with capra in such great films as ladies of leisure the miracle woman and the bitter tea of general yen her pre code movies night nurse and baby face and her classic roles in stella dallas remember the night the lady eve and double indemnity after making more than eighty films in hollywood she revived her career by turning to television where her role in the 1960s series the big valley renewed her immense popularity callahan examines stanwyck's career in relation to the directors she worked with and the genres she worked in leading up to her late career triumphs in two films directed by douglas sirk all i desire and there's always tomorrow and two outrageous westerns the furies and forty guns the book positions stanwyck where she belongs at the very top of her profession and offers a close sympathetic reading of her performances in all their range and complexity from 1937 through 1945 hollywood produced over 1 000 films relating to the war this enormous and exhaustive reference work first analyzes the war films as sociopolitical documents part one entitled the crisis abroad 1937 1941 focuses on movies that reflected america's increasing uneasiness part two waging war 1942 1945 reveals that many movies made from 1942 through 1945 included at least some allusion to world war ii she thought she wanted the truth now she'd give anything to forget it new oss trainee jenny ryan is brimming with equal parts excitement and fear she is one step closer to serving her country overseas but when her ambition costs her dearly she realizes the fight has come to her and love has turned to lies oss instructor kathryn hammond is no stranger to sacrifice but when doing her job means sending the woman she loves into the churn of war her devotion to duty is tested like never before when shocking revelations and the cruel march of time threaten their love will kathryn and jenny embrace the truth and find each other again before it's too late in the shadow of truth is the third book in this lesbian historical fiction series if you like secrets spies and love against all odds you'll love this emotionally sweeping love story buy in the shadow of truth and lose yourself in a page turning night of desire and intrigue today note as this is a series reading the books in order is recommended lisa mccall a brilliant young scientist has vanished in the wilderness in the middle of a snowstorm her sister abby reluctantly drops everything and flies out from england to join series in operations research management science

the search party alaska is the last place she wants to be but ever since a bitter row she hasn't spoken to lisa for some years and if they don't find her soon she never will again alone in the freezing outpost bruised by a broken love affair abby struggles to understand her sister's disappearance but the more she uncovers the more sinister the situation becomes with both influential friends and powerful enemies it seems lisa may have been in well over her head beneath the snow is a tense action packed adventure from cj carver author of gone without trace and blood junction reprint of the original first published in 1887 postapocalyptic fiction and the social contract we'll not go home again provides a framework for our fascination with the apocalyptic events the popular appeal of the end of the world genre is clear in movies novels and television shows even our political debates over global warming nuclear threats and pandemic disease reflect a concern about the possibility of such events this popular fascination is really a fascination with survival how can we come out alive and what would we do next the end of the world is not about species death but about beginning again this book uses postapocalyptic fiction as a terrain for thinking about the state of nature the hypothetical fiction that is the driving force behind the social contract the first half of the book examines novels that tell the story of the move from the state of nature to civil society through a hobbesian a lockean or a rousseauian lens including lucifer's hammer by larry niven and jerry pournelle alas babylon by pat frank malevil by robert merle and into the forest by jean heglund the latter half of the book examines octavia butler's postapocalyptic parable series in which a new kind of social contract emerges one built on the fact of human dependence and vulnerability stan laurel and oliver hardy have remained from 1927 to the present day the screen's most famous and popular comedy double act celebrated by legions of fans but despite many books about their films and individual lives there has never been a fully researched definitive narrative biography of the duo from birth to death louvish traces the early lives of stanley jefferson and norvell hardy and the surrounding minstrel and variety theatre which influenced all of their later work louvish examines the rarely seen solo films of both our heroes prior to their serendipitous pairing in 1927 in the long lost short duck soup the inspired casting teamed them until their last days both often married they found balancing their personal and professional lives a nearly impossible feat between 1927 and 1938 they were able to successfully bridge the gap between silent and sound films which tripped up most of their prominent colleagues their hal roach and mgm films were brilliant but their move in 1941 to twentieth century fox proved disastrous with the nine films made there ranking as some of the most embarrassing moments of cinematic history in spite of this laurel and hardy survived as exemplars of lasting genius and their influence is seen to this day the clowns were elusive behind their masks but now simon louvish can finally reveal their full and complex humanity and their passionate devotion to their art in stan and ollie the roots of comedy the double life of laurel and hardy louvish has seamlessly woven tireless and thorough research into an authoritative biography of these two important and influential hollywood pioneers top gun heads to outer space in this throwback to the classic science fiction of asimov clarke and heinlein strapped in to artificial wings spanning twenty five feet across your arms push a tenth of your body weight with each pump as you propel yourself at frightening speeds through the air inside a pressurized dome on the moon subject to one sixth earth's gravity there are swarms of chiseled fearless superbly trained flyers all around you jostling for air space like peregrine falcons racing for the prize this was the sport of piloting and after helium 3 piloting was one of the first things that entered anyone's mind when borealis was mentioned it was helium 3 that powered humanity's far flung civilization
