## ***In the Name of Wild***

2022-10-15

five continents ten countries twenty natural world heritage sites in five years in the name of wild is the story of what happened when one family set out to learn what wildness means to people around the world what draws us to seek out wild places do they mean the same to everyone part travelogue part ethnography this book takes us on a journey into the lives of the people who call places such as tasmania patagonia and iceland home they reveal that wildness isn t about the absence of people it s about connections kinship and coexistence with the land

## **The Burying Ground**

2015-07-11

thaddeus reunites with an old friend in less than cheerful circumstances to catch a grave robber who is preying on a vagrants cemetery and stealing more than bodies the two soon find themselves entangled in a mystery that stretches back to the typhus epidemic of 1847 and the legacy of a scandal many would prefer left buried

## **Korea and the Others**

2024-08-05  
2023-05-29

this book intends to be a reaction to a remarkable paradox within korean studies easily encountered even by non experts while many korean studies journals strongly encourage the submission of multicultural and transnational articles in fact very few scholars in the world are able to receipt this message the volume analyzes various episodes of confrontation both physical and cultural between the people of korea and foreign counterparts i e the others in various historical moments it was devised and born within the humanities korea plus hk project entitled collectio collatio connectio which is sponsored by the national research foundation nrf of korea and is currently underway at anyang university in anyang city republic of korea this project aims to explore documents on relations and exchanges between east and west especially but not only in pre modern times and it aspires to serve as a turning point in the history of comparative and transnational studies on korea in doing so it also attempts to address deficiencies in existing scholarship especially with regard to comparisons between the far east and korea in particular and the cultures of the near middle east and the classic and medieval west it follows that this volume has as its target a rather broad academic audience not limited merely to the field of korean studies but ranging from the ancient mediterranean to japan passing through medieval and modern europe

## **The 1903 Lowell Lectures**

2021-05-10

in three comprehensive volumes logic of the future presents a full panorama of charles s peirce s important late writings among the most influential american thinkers peirce took his existential graphs to be his greatest contribution to human thought the manuscripts from 1895 1913 most of which are published here for the first time testify the richness and open endedness of his theory of logic and its applications they also invite us to reconsider our ordinary conceptions of reasoning as well as the conventional stories told about the evolution of modern logic this second volume collects peirce s writings on existential graphs related to his lowell lectures of 1903 the annus mirabilis of his that became decisive in the development of the mature theory of the graphical method of logic

## **Soviet T-10 Heavy Tank and Variants**

2017-06-29

when it was introduced into service in 1953 the t 10 represented a return to the classic soviet heavy tank although considered a major threat to nato tank forces it also represented the end of an era all gun heavy tanks like the t 10 would eventually be made effectively redundant by later models like the t 62 which had powerful next generation armament and new ammunition types the tank was gradually withdrawn from service in the 1970s though the last tanks would only leave russian service by decree of the president of the russian federation in 1997 as such the t 10 outlived the soviet state that had created it never exported outside of the soviet union and rarely used in combat the t 10 has remained a mysterious tank with many of its variants unknown in the west until very recently this study written from original russian and ukrainian primary source documents that have only recently been made available uncovers the history of this enigmatic tank using 130 stunning contemporary and modern photographs of the t 10 as well as full colour side view artwork

## **Orchards**

2012-07-20

some of britain s surviving orchards are almost six hundred years old and whether laden with summer fruit or stripped bare by the winter are places of great beauty throughout history they have played an important role in life both rural and urban providing not just food and drink but also a haven for wildlife and a setting for age old customs and social gatherings but when did orchards first appear what is wassailing and who did it why has england lost almost two thirds of its orchards since 1950 and what is being done about it today this beautifully illustrated book reveals the engaging story and rich diversity of britain s apple pear and cherry orchards
