black enterprise is the ultimate source for wealth creation for african american professionals entrepreneurs and corporate executives every month black enterprise delivers timely useful information on careers small business and personal finance chrétien s testimony on how to face your insecurities and embrace your true identity in jesus is a must read for anyone interested in being who god created him or her to be and that includes all of us steve d holder lead pastor of bethel church goldsboro nc president of the fellowship network dallas tx i ve heard it said that comparing yourself to others is an insult to god for he created you chrétien pointedly states that comparison can literally be deadly and only distracts us from fulfilling the call of god on our lives landon schott the rev ministries in a sky full of stars god saw you chose you placed you and named you you matter you re important god believes in you and cheers you on from heaven in every twist and turn of life you are much too special and far too important to compare yourself to other people there is too much at stake for your life great things you must do places you must go and people in the world you must reach with his love you can do it you will do it in sky full of stars learn secrets for becoming truly happy with who god made you to be walking confidently in your talents abilities and gifts reaching your dreams living a fulfilling life in sky full of stars learn how to draw closer to jesus follow him daily and live your beautiful journey wholeheartedly seek his will and plans for your life then step boldly into your destiny a red flag goes up in washington after pirates murder the innocent crew of a u s merchant vessel off the coast of namibia backed by certain authorities and protected from the law the african rebel group behind the attack believes they are untouchable but mack bolan is about to change that sent in to restore balance bolan is on a seek and destroy mission eliminate the key players one at a time and burn the organization to the ground but victory will be no easy feat as the rebel leader with no intention of surrendering quickly calls in reinforcements yet the group makes one fatal error not seeing the executioner coming former army sniper bill tatum likes his new job as deputy sheriff of mineral county colorado he gets to ride a horse and wear a cool hat but he never expected to find a dead woman in the hills behind his cabin tatum never expected to find himself on the wrong side of the crosshairs either the woman with the bullet hole in her temple was a reporter from the rocky mountain news and her journal reveals secret affairs political corruption and a pending environmental disaster but tatum has little time to ponder motive because the bullets are flying no one is safe from the deadly accurate vengeance of a well placed rifle bullet as tatum muddles through the deception and lies in his once innocent alpine village the sniper stays one step ahead of him killing mercilessly then disappearing into the colorado wilderness eliminating carefully chosen targets with impunity tatum cannot overcome the sniper s meticulous planning and penchant for public assassinations when his suspects fill up the county morgue instead of the jail tatum realizes he must fall back on his training as an army sniper to regain superior position and stop the terror from the ridge above it starts with you waking on a maine beach naked half drowned and very very cold your name is daniel hayes at least you think it is that s the name on the insurance card you find in the bmw parked near you how did you get here and why all you remember is a woman s face so you set off to the only place you might find her but this raises the most chilling question of all what will you find when you get there from lee child like any reader i love old favourites but i love new voices too and i especially love it when a new voice starts to become an old favourite it doesn t happen often but right now it s happening with marcus sakey he s got it all he writes like a dream he creates characters exactly like people you know he scares you and above all keeps you turning the pages but most of all he does the what if thing better than anyone in the business what if questions power a lot of plots but sakey is special he doesn t just check a box or construct a neat twist for the sake of it reading him between the lines i guarantee he lives this stuff he thinks it through and sweats it out probably for weeks at a time i can see him looking around at all the things he loves looking at his house turning and looking at his wife asking himself what if what if i had to put all this at risk would i could i how would it feel what would be the effect on me it s that kind of depth and intelligence and passion and emotion that sets sakey apart these are not just clever plots these are real people with night sweats and wide eyes and everything to lose the two deaths of daniel hayes takes what if in a new direction and to new heights every writer muses what if the reader isn t sure whether the husband killed his wife or not that s a basic whodunit but sakey asks what if the husband isn t sure whether he killed his wife or not that s a terrific premise and it boosts an already terrific thriller plot into the stratosphere field stream america s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations popular mechanics inspires instructs and influences readers to help them master the modern world whether it s practical diy home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science pm is the ultimate guide to our high tech lifestyle in the latest book in michael griffo s spellbinding darkborn legacy series dominy robineau must choose whether to fight the werewolf inside or the darkness all around dominy had no choice in becoming a werewolf the day she turned sixteen a witch s curse erased every trace of normal from her life and ignited a wild hunger that s already cost dominy her best friend and though she s still got her boyfriend caleb and other allies who promise to help her find a cure dom feels completely alone yet she isn t alone throughout her hometown of weeping water nebraska a legacy of evil is slowly coming to light pitting friend against friend in an unfolding battle dom was sure her only hope was to fight what she s become but with an enemy threatening her family she ll have to harness the power she fears and gather all the strength she s got advance praise for ivy league killers cherry takes readers on a chilling ride as he plants intrigue in all the right places if a rapist murderer or sex trafficker is hell bent on a life of crime is it injudicious to stop that person young couple emily and tom don t think so and neither does the secret society that backs them in their pursuits this anonymous network is composed of likeminded individuals who

know that the police are insufficient in stopping these transgressors judges are paid off and criminals fall through the cracks some readers might squirm at the morality implied in such acts but cherry doesn't declare a conclusive stance on the subject he will however nudge your conscience to disturbing degrees where you might find yourself rooting for the eliminators ivy league killers answers many questions harms done to others readers didn't even know they had either story can be read first however thanks to cherry's literary dexterity valerie brooks is a writer editor and book reviewer and the owner of thewriteedit.com the novel can sometimes be playfully cynical offsetting the characters lethal occupation after a hit emily lovingly tells tom well done sweetheart the tone however is generally earnest and the back stories for the co leads provide credible sympathetic reasons for why they would commit murder cherry bolsters his tale with a bit of mystery later chapters add suspense when the stakes escalate killers for hire make a surprisingly charming couple in this straightforward thriller kirkus reviews ridiculously good new york times author thomas pierce's debut novel is a brilliantly dazzling and poignant love story that answers the question what happens after we die lots of stuff it turns out will we meet again i believe we will but as for proof i can only offer my story nothing more jim byrd died technically for a few minutes the diagnosis heart attack at age thirty revived with no memory of any tunnels lights or angels jim wonders what if anything awaits us on the other side then a ghost shows up maybe jim and his new wife annie find themselves tangling with holograms psychics messages from the beyond and a machine that connects the living and the dead as jim and annie journey through history and fumble through faith they confront the spectre of loss that looms for anyone who dares to fall in love funny fiercely original and gracefully moving the afterlives will haunt you in a good way praise for the afterlives a bracingly intelligent beautifully rendered meditation on ghosts technology marriage and the afterlife this is a remarkable novel emily st john mandel inventive romantic and unsettling the afterlives is a story of two people who take extraordinary measures to answer the big questions what is the soul do we ever really die flabbergastingly original and sublimely satisfying amity gaige the harrowing true story of robbie tolan a young black man who was shot in the chest by a white police officer in his own driveway no justice is the harrowing story of robbie tolan who early on one new year's eve morning found himself being rushed to the hospital a white police officer had shot him in the chest after mistakenly accusing him of stealing his own car while in his own driveway in a journey that took nearly a decade tolan and his family saw his case go before the united states supreme court in a groundbreaking decision while tolan struggled with how to put his life back together holding him together through this journey was the strength of his mother and father his faith in god and an impenetrable belief that he deserved justice like any other american who'd been wronged no justice is the story about what happened after the cameras and social media protests went away robbie tolan was left with the physical and mental devastation from having his body violated by someone who was supposed to serve and protect him his story reminds us that police brutality is not a theoretical talking point in a larger nationwide argument this story is about robbie tolan courageously picking up the pieces of his life even as he fights for justice for all in just his first five years of filmmaking acclaimed portland independent director jon garcia was able to produce four feature films eric b olsen examines the first four films of garcia's career in order to provide a deeper understanding of works that transcend the limitations of independent filmmaking and to show how they have attained the status of art part oral history and part film analysis the book provides a detailed textual commentary on tandem hearts 2010 the director's first film the falls 2011 and the falls testament of love 2013 his most well known films and the hours till daylight 2016 the films of jon garcia 2009/2013 takes an in depth look at a writer director who has earned a reputation as one of the pacific northwest's premier filmmakers former homicide detective brad lyon has happily settled into retirement with his wife ashleigh and their new business crafting artisan teddy bears they even take their lyon's tigers and bears on the road to baltimore site of a big time bear show but ex cop brad senses something sinister when he witnesses a domestic dispute between the couple behind the hugely popular line of cheery cherub bears and a second scuffle soon has the bear aficionados talking another designer has accused the award winning couple of stealing ideas for their furry angel bears the tension is enough to give one of the designers an asthma attack but after using her inhaler she clutches at her throat and dies baltimore brass deems it a death by natural causes but brad and ash's suspicions have already taken wing a young teacher's trip home for the summer turns into a shocking surprise when he hitches a ride and winds up a prisoner his captor is a foreign national who partially reveals the purpose of his actions during the ride both the kidnapped teacher and his captor discover previously unknown characteristics about themselves and the plot widens to include several unsuspecting persons who play various roles in the adventures faced by the pair of travelers this is a tale of our times leading into the future of conspiratorial efforts that will affect americans way of life the past twenty five years have brought many surprises to our doorstep what sort of plans are currently in the making as we try to go about the business of living peacefully backpacker brings the outdoors straight to the reader's doorstep inspiring and enabling them to go more places and enjoy nature more often the authority on active adventure backpacker is the world's first gps enabled magazine and the only magazine whose editors personally test the hiking trails camping gear and survival tips they publish backpacker's editors choice awards an industry honor recognizing design feature and product innovation has become the gold standard against which all other outdoor industry awards are measured in three previous novels tom corcoran established himself as a shrewd observer of key west's eccentricities and landscape in octopus alibi he delivers alex rutledge to labyrinths of the past agendas of power and greed that jumps generations the suspected murder of a long missing woman the death of an elderly mentor and the suicide of key west's popular mayor are revealed a single april day rutledge a freelance photographer with part time forensic ties to the monroe county sheriff's department and the kwpd must accompany fishing guide and friend sam wheeler to identify a body in broward county hours later back on the island a key west detective coerces alex into documenting mayor gomez's demise rutledge also learns he must administrate the estate of naomi douglas the woman who encouraged his creative photography rutledge soon suspects that nothing is as it appears the police choose not to see crimes only rutledge senses foul play on the island a linking of deaths and the threat of more peril home front troubles compound the dilemma

teresa barga alex s new housemate is absorbed by the arrival in town of whitney randolph a college friend with cash wild stories bent morals and more alibis than an octopus has suckers randolph it appears has already slithered into the unfolding suspense linking himself to scam victims and murder victims rutledge must ignore a relationship gone sour then focus on wisps of clues to connect the past and present friends act out of character officials become duplicitous and threats of violence take alex to the most dangerous confrontation of his life filled with edgy characters and insights to island existence the tight plot of octopus alibi promises tom corcoran s most unforgettable tale of the hot crazy tropics popular science gives our readers the information and tools to improve their technology and their world the core belief that popular science and our readers share the future is going to be better and science and technology are the driving forces that will help make it better tim johnson was a convict who lived by the code of the streets death before dishonor life took a turn for the worst leaving the test of survival at his feet daryl jenkins and cliff porter were tim s faithful comrades who learned the in s and out s of the drug game but when the game went sour they saw another side of tim that couldn t be explained tim crossed a thin line with his ex fiance after she made a promise that she couldn t keep leaving tim alone in prison to survive as best as he could someone wants him dead but who follow this illicit tale as lust betrayal and loyalty conflicts and unfold in the city of drama a k a drama city to save his sister a special ops agent must stop deadly organization from unleashing the magic of the nephilim in this military fantasy adventure novel following the deaths of his wife and daughter special ops agent cody willis has been struggling to cope with his overwhelming grief when the burden becomes too much to bear and cody is sent on temporary leave he finds himself even further adrift but he s about to rediscover his purpose when danger strikes close to home cody s sister tessa has been kidnapped and taken to peru where she is forced to lead a top secret research team to win her freedom she must uncover the many secrets of the nephilim a race of ancient giants once thought to have dominated our lands when cody learns of tessa s disappearance he is determined to save her no matter the cost with the help of a few fellow agents he races across the world to face a shadowy cabal intent on harnessing terrifying ancient
