High Water Levels of the Great Lakes 1987

taking seriously the commonplace that a man is known by the company he keeps and particularly by the company he keeps over his lifetime one can learn more about just about anyone by learning more about his friends by applying this notion to shakespeare this book offers insight into the life of the most famous playwright in history and one of the most elusive figures in literature the book consists of sketches of shakespeare s contact and relationships with the people known to have been close friends or acquaintances revealing aspects of the poet s life by emphasizing ways in which his life was intertwined with theirs though it is difficult to get to know this most famous of playwrights through this work readers can gain insight into aspects of his life and personality that may otherwise have been hidden shakespeare more than any other writer in the western world based much of his work on the

consequences of friendship given the value placed on friends in his writing many readers have wondered about the role friendship played in his own life this work gives readers the chance to learn more about shakespeare s friends who they were and what they can tell us about shakespeare and his times for instance richard field was a boyhood friend with whom shakespeare went to school in stratford field became a well known london printer the details of field s life illuminate both the details of shakespeare s boyhood education and the poet s relationship with the printing publishing and book selling world in london francis collins a lawyer who represented shakespeare in a number of legal dealings drafted both versions of shakespeare s will this life long friend was one of the last men eve to see shakespeare pick up a pen to write through these vivid and animated sketches readers will come to know about shakespeare s life and times while the book has a lively accessible narrative tone within chapters its organization and features make it highly useful to the school library market as well as the academic world it contains cross references a detailed table of contents and a highly organized structure with uniformity across sections and chapters the writing is accessible and could be easily used by upper level high school students looking to augment school assignments

Houston Intercontinental Airport Runway Construction 1984

sam houston s army reached buffalo bayou on april 18 1836 and the ensuing battle of san jacinto called attention to the meandering stream as a link between the interior of sprawling texas and the sea early in texas history the waterway that would one day be known as the houston ship channel evoked dreams in the minds of the enterprising how these dreams became realities that surpassed all expectation is the subject of marilyn mcadams sibley s the port of houston a history it is the story of the growth of an unlikely inland port situated at a tent city that many texans thought would die young it proves as an early visitor to houston noted that future greatness depends not so much on location of port or town as on an enterprising population controversy between dreamers and promoters is a large part of the story was houston or harrisburg the head of navigation was the shallow stream valuable enough to the nation to warrant the costly deep water dredging was houston or galveston to command the trade where land and water meet as the issues were settled houston had spread out to overtake harrisburg deep water was achieved in 1914 and was celebrated by ceremonies in which the president of the united states played a part and galveston grew into a self contained island metropolis while houston became in the words of sibley the perennial boom town of twentieth century texas as the port of houston continued to grow into a multi

billion dollar institution serving and served by the cotton wheat oil and space industries its full economic impact on the city of houston the state and the nation cannot be estimated in dollars and cents but a glance at the trade statistics in the appendix alone will give some idea of the world wide value of this thriving port the many interesting illustrations accompanying mrs sibley s story show in graphic terms the growth of a small town on a stream of a very inconvenient size not quite narrow enough to jump over a little too deep to wade through without taking off your shoes into an international complex through which almost 4 billion in cargo passed in its fiftieth anniversary year
