crafters each craft lists appropriate age group materials and instructions along with black and white illustrations and full size pattern templates in an age when so much of our time is spent staring at screens it is easy to understand why the warmth intimacy and idiosyncrasies of hand craftsmanship should seem alluring the term mingei describes useful unobtrusive beautifully crafted objects alice rawsthorn the new york times the mingei folk crafts movement founded by philosopher and art historian soetsu yanagi and potters hamada shoji and kawai kanjiro in the early 20th century celebrates the utilitarian designs in functional objects hand crafted by village artisans throughout japan this book offers an illustrated guide to japan s rich folk craft traditions and shows why the mingei philosophy is even more relevant today than it was a century ago folk crafts have become associated with the slow life movement and the wabi sabi philosophy which values simple and imperfect items above the bright and shiny mass produced objects of our modern culture this book introduces 34 fascinating japanese folk craft traditions ranging from popular widely known ones to many lesser known crafts that are equally exquisite but rarely seen the crafts covered here include aizome hand dyed indigo textiles which use the leaves of the indigo plant to produce a rich deep blue color bizen the unique unglazed pottery with an earthy rustic appearance and simple charming designs chochin lanterns made of handmade washi paper stretched over a bamboo frame found outside restaurants and temples including the famous example at the entrance to tokyo s sensoji temple edo furin wind chimes made of delicate hand blown glass one of the iconic symbols and sounds of the hot and humid japanese summers inuharuko papier mache toy dogs adorable pups that have acted as good luck symbols since the edo period maneki neko beckoning cats one of the most popular folk crafts in japan with their right paw raised to bring in money and good luck tenugui cloths dyed using the chusen method to provide delicate color gradations and used as kitchen cloths for wrapping or to wear as a scarf as well as for framing since they are so beautiful author manami okazaki describes each craft in loving detail and interviews nine talented folk artists specializing in unique crafts like koginzashi needlework bingata dyed fabrics and warazaiku rice straw crafts this beautifully illustrated book will be treasured by folk art collectors and enthusiasts worldwide it features 400 color photographs and a
