unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

History of the Louisiana Purchase Exposition

1905

in 1803 the united states purchased 828 000 square miles of land from france at a price of approximately three cents per acre dramatically altering the young nation s geography and its political future president thomas jefferson had struggled for three years over the purchase which many believed to be unconstitutional during which time the land changed hands between the french and the spanish in perhaps the nation s most formative development since the revolutionary war the deal secured the u s territory that would become fifteen new states sparked intense public argument about the american frontier and ensured jefferson a complicated legacy in american history with special attention to the diplomatic and constitutional background of the purchase the louisiana purchase examines the event in the context of the atlantic world including the impact of the french revolution and napoleonic wars in europe colonial revolutions in the caribbean and the westward expansion of the u s population in five concise chapters bolstered by primary documents including treaties letters and first hand observations robert d bush introduces students to the political history of this momentous land acquisition

Expanding a Nation

2013-07

though the present day united states stretches from the atlantic ocean to the pacific the shape of the nation has shifted many times over the course of its history the year 1803 marked one of the greatest changes when president thomas jefferson purchased 828 000 square miles from france s napoleon bonaparte this area of land known then as the louisiana territory today comprises all or part of 15 states buying the territory was no easy task however france was wrangling with political and military battles the deal required the talents of two of

jefferson's most talented diplomats and even the constitutionality of such land acquisition came under fire the louisiana purchase tells the story of the purchase that opened up the possibility of american westward expansion

A History of the Western Boundary of the Louisiana Purchase, 1819-1841

1914
