re morini cm22m alu targettalk *Dec 21 2023*

it is a left handed aluminum model with a modified doctor reflex sight mounted for bullseye at first the pistol would not reliably function with any ammo save even the high priced spread after 1000 rounds of various standard velocity ammo and frequent cleaning with solvent oiling it functions with predictability of all standard ammo

what do owners of the new morini cm22 rf think of it Nov 20 2023

i have been very interested in the morini cm22rf inquiries to our host provided information from morini that the rf version is available in aluminum only i was under the impression that the current trend in rapid fire pistols was for 1200 grams the al version is around 900 grams

morini cm22 targettalk Oct 19 2023

i have gone through most of the posts on this board about the cm22 most seem to indicate a feeding problem after some use but most of those messages were more than a year old so i am here to see if any opinions have changed are the cm22 s issues possibly caused by lack of maintenance

morini cm 22m rf pilkington competition iii Sep 18 2023

morini cm 22m rf pilkington competition iii morini has many series of quality air pistols one brand is the cm 22m rapid fire at this moment we have three in stock here is a 22m with an aluminum trigger unit all three have one of the same material along with an aluminum frame

morini cm 22mrf alu potter firearms *Aug 17 2023*

morini cm 22mrf alu the lightest of the family of standard pistols more suited to women and junior shooters uses direct bullet feed from magazine to breach rather than traditional feed between magazine lips which cause rim or bullet nose damage misfeeds and jams
