with the unchanging principles that govern the universe with the release of this capstone classics edition we finally have an authoritative collectible version of the game of life and how to play it find out why the game of life and how to play it is one of the defining self help guides of the 20th century among the many productions which the late war has drawn forth the editor has thought there is room for such a volume as this which shall present a full and complete picture of the various phases of the life of a soldier his battles marches sufferings and privations and such instances of personal during the four years of our civil strife he is well aware that full justice can not be done to those brave men who on land and sea carried the stars and stripes in triumph throughout the entire length and breadth of that portion of the union so lately in arms against the general government but he hopes and believes that those who wore the glorious blue coat will recognize the fidelity and truthfulness of the present volume which aims solely to present to the country in a familiar and pleasant manner the claims of our heroes to the nation's gratitude the selections herein embodied have been made carefully and faithfully from the current literature of the war a task to which the editor has devoted considerable time and research his aim has been to draw from the mass before him the most graphic and striking articles those which would most forcibly recall to the survivors of the army and navy the stirring scenes through which they passed so bravely which would depict most truthfully their fortitude and heroism in adversity preface frank has been in a serious car accident and he's missing memories of the people around him of the history they share and of how he came to be in the crash all he remembers is that he is a lawyer who specializes in fine print and as he narrates his story he applies this expertise in the form of footnotes everyone keeps telling frank that he was fine before the accident just a bit overwhelmed but as he begins to reclaim his memories they don't quite jibe with what everyone is telling him his odious brother oscar is intent on going into business with an inventively cruel corporation alice frank's wife isn't at all like the woman he fell in love with she's written a book called executive x that makes frank furious though he isn't sure why and to make matters even stranger stored in a closet is a severed finger floating in an old mustard jar that makes him feel very very proud as more memories flood in frank's tightly regulated life begins to unspool as he is forced to face up to the real terms and the condition of his life robert glancy's debut novel is a shrewd and hilarious exploration of freedom and frustration success and second chances and whether it's worth living by the rules yes exactly like this we can't tell you what it's called for legal reasons but believe us it's evil which are rarely in his favor which is a total mess
