five friends are looking forward to christmas vacation the weather has been cold and there has been a lot of snow but that doesnt deter them from the thoughts of an exciting few days in the woods bombing around on their atvs the only concession that dons parents made when they agreed to the trip was that his nineteen year old brother go along he is a much more experienced woodsman than any of the others and being two years older they hope he would bring a measure of maturity and levelheadedness to the group at least that is what they thought when a series of tragic events leaves the group lost injured and without many of their supplies don is left to his own limited survival skills to pit against the whims of nature will the teachings of his brother and his beloved deceased uncle be enough to get them out of the woods alive the question now becomes will any of them even survive long enough to be found field stream america s largest outdoor sports magazine celebrates the outdoor compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations this is the first volume of the two volume autobiography of colin seeley a famed british motorcycle racer and builder the book is full of anecdotes escapades personalities and memorable descriptions on and off the track which give a fantastic insight into the racing and technical achievements over three great decades in motorcycling history much more than a coming of age story badluck way is an important meditation on what it means to share space and breathe the same air as truly wild animals and the necessary damage that can occur when boundaries are crossed tom groneberg author of the secret life of cowboys in this gripping memoir of a young man a wolf their parallel lives and ultimate collision bryce andrews describes life on the remote windswept sun ranch in southwest montana the sun s twenty thousand acres of rangeland occupy a still wild corner of southwest montana a high valley surrounded by mountain ranges and steep creeks with portentous names like grizzly and bad luck just over the border from yellowstone national park the sun holds giant herds of cattle and elk amid many predators bears mountain lions and wolves in lyrical haunting language andrews recounts marathon days and nights of building fences riding roping and otherwise learning the hard business of caring for cattle an initiation that changes him from an idealistic city kid into a skilled ranch hand but when wolves suddenly begin killing the ranch s cattle andrews has to shoulder a rifle chase the pack and do what he d hoped he would never have to do called an elegant memoir by the great falls tribune badluck way is about transformation and complications about living with dirty hands every day it is about the hard choices that wake us at night and take a lifetime to reconcile above all badluck way celebrates the breathtaking beauty of wilderness and the satisfaction of hard work on some of the harshest most beautiful land in the world field stream america s largest outdoor sports magazine celebrates the outdoor experience with great stories
